Contentious Cocktail Bar Question Shelved for Another Year as Wismer Indicates Plebiscite Will Be Taken

VICTORIA—The B.C. Legislature last night laid the cocktail bar ghost for another year, defeating a C.C.F. resolution asking for an investigation of liquor distribution and consumption methods in various parts of the world.

It was defeated 37-10 with two C.C.F. members swinging over to the government side in the tally. John McInnis (C.C.F., Fort George), and J. H. Corsbie (C.C.F., Peace River) voted with the government.

Attorney-General Gordon S. Wismer said an enquiry would be just a waste of time. The decision must be reached through a public plebiscite, if and when the government arranges to have one, he declared.

FIRE GUTS TWO-STOREY HOUSE

VICTORIA — Mrs. Mary E. Bird, 38, burned to death and four others escaped early today when flames swept through a two-storey boarding house here. Origin of the fire is unknown. Mrs. Bird was the widow of Robert Bird, who disappeared from the S.S. Princess Joan between Victoria and Vancouver a year ago last New Year's Day. She was trapped in her room.

FILIBUSTER DELAYS VOTE

ROME — Communists delayed adherence to the Atlantic Alliance today by a filibuster in parliament. They also churned up strikes in Milan and Genoa in protest. Screaming communists and socialist deputies fought an "Atlantic pact battle" with rival groups on the floor of the chamber, as left-winger members attempted to talk out the debate and delay a vote of confidence in the Decasperi government.

AWAIT COURT DECISION

PAWPAW, Mich. — In a two-room tar-paper shack behind the city dump, a desperate 13-year-old father is waiting today for something—anything—to happen. Crowded into the tiny house are Carl Harvey Blake, his wife, Winnifred, 16, and their three-week-old son, and eight in-laws. Carl is jobless. There is no prospect of work despite all his efforts. Icey March winds seep through the card-board walls.

The main diet for all the family is bread and potatoes. Winnifred recently tore the baby's four ragged diapers in halves to make them go further. Carl sacrificed his own food to buy the canned milk. But in spite of everything, she and Carl want to remain together.

Officials are silent on the question of whether Carl would be sent back to school. Even though his plight has gained wide publicity, chances of him getting a job are dim, because Michigan law forbids the issuance of a child labor permit to youths under 14. Carl, who weighs 176 pounds, and is five feet six inches tall, "is level-headed and mature for his age," friends say.

WILL RE-ARREST GOV'T EMPLOYEE

WASHINGTON — The government today moved to re-arrest 27-year-old Judith Coplan, until recently an employee of the justice department, after charging her with specific acts of spying against the U.S. She was first arrested 14 days ago in New York City, along with Valentine A. Gubitchev, a Russian engineer, employed at the United Nations headquarters. The two were jointly indicted by a New York grand jury last week on espionage and conspiracy charges.

GOV'T "DRUNK WITH POWER"—DREW

OTTAWA — George Drew said today there exists no general emergency to warrant a government, "drunk with power," to continue wartime controls under one bill. He made the statement while continuing the Progressive-Conservative Party's fight against a resolution to the bill providing a one year extension of controls on domestic rents, some food prices, buildings priorities on steel and lumber.

The battle moved ahead on stage when members of Commons voted 143-53 to go into committee to study details of the resolution. After the vote, Mr. Drew reiterated the position that the government should introduce separate bills covering each of the various types of controls it wants continued.

Such bills would bring to an end the arbitrary powers in the hands of autocratic controllers, he said.

Parliament had to declare that a general state of emergency existed as in wartime when the first controls were passed to warrant passage of an omnibus bill covering all controls.

Second Game of Western Senior B Semi-Finals Set for Kelowna Monday

Permission to use Ken Stewart, Kelowna Packers' player-coach, was granted by the Kelowna City Council. Stewart is playing for the Kelowna Packers in the Western Canada Senior B hockey semi-finals. Stewart will replace Ron Montgomery, suspended defenceman.

Also confirmed today was the fact that the Kelowna Packers will play the first two games of the semi-finals, the first two games of the finals will be played in Nanaimo. Third, fifth and seventh games of the series goes the limit—will be in Kelowna.

Western Canada senior B hockey semi-finals between the B.C. and Alberta champions — Nanaimo Clippers and Edmonton Mercuries — start in Vernon, Saturday night with the second game set for Memorial Arena here Monday night.

Third fixture of the best-of-five playoff series will be at Vernon Wednesday, with the teams returning to Kelowna, Thursday, if a fourth game is needed. Should a fifth game be necessary, it will be in Vernon, Saturday of next week. The playoff sites and dates were given out this week by Frank Becker, Vernon, B.C.A.H.A. president and C.A.H.A. representative.

Mr. Becker, in Kelowna Tuesday night, was hesitant about naming the sites of the Western Canada semi-finals, pegged earlier in the season for the Okanagan. The finals will be a four-out-of-seven affair between either Nanaimo or Edmonton and the winner of the Manitoba-Saskatchewan series that got away Tuesday night.

He admitted Nanaimo interests were applying "terrible pressure" to have some of the finals played there if the Clippers made the grade. Late Tuesday, when inter-

viewed by a Courier reporter, he never mentioned the fact that the first two games of the finals would be in Nanaimo — if Nanaimo wins.

"Wait and See"

"We'd better wait and see what happens in the semi-finals before we make any predictions for the finals," he said. As far as the Courier could learn today, the situation remains the same.

However, Mr. Becker made one point clear. No matter how many games of the finals are played in the Valley, the first one comes to Kelowna, alternating then between Kelowna and Vernon. If the semi-finals go only three or four games, the finals will likely start here on Saturday of next week, March 28, he said.

Edmonton won the Alberta crown by trouncing Calgary Foot-ball Rovers in two straight—7-1 and 9-2. Where the Mercuries will stay during the playoffs in the Okanagan is not known immediately, but the Clippers, remembering Kelowna's hospitality during their visit here in January, will make Kelowna their temporary home.

B.C.A.H.A. prices go into effect now for all playoff games. All seats will be reserved at \$1 each. Standing room will cost 65 cents; students and children get in for 25 cents, but will have to stand. Tickets go on sale at 9 a.m. tomorrow. Season ticket holders have until 5 p.m. Saturday to pick up their pasteborders.

In the other Western Canada semi-final, Melville, Sask., grabbed a one game lead in the best-of-five series Tuesday night with a 10-5 victory over Neepawa, Man. Second game goes tonight.

VOLUME 45

Kelowna, British Columbia, Thursday, March 17, 1949

NUMBER 62

Comes Spring and Blossoms...and Examinations

In spring a young man's fancy lightly turns to thoughts of love. The poet neglected mention to what channels a young lady's thoughts turn, but for this miss apple blossom time is school examination time. Within the next month or six weeks thoughts of dancing, school hops, sports and entertainment must take

second place to final spurt of concentration on school work. Apple blossom time in the Okanagan will be between May 8 and 15. Apricot trees will be out in bloom a few days before apples, followed by cherries and peaches.

Local Police Break One Of Worst Juvenile Crime Rings to Operate in City

ONE of the worst juvenile crime rings ever to operate in the city is believed to have been broken up, Sgt. R. B. McKay, NCO in charge of Kelowna Provincial Police, announced today.

The trail of petty crime of six Kelowna boys ranging in age from 11 to 15 years covers a series of thefts at Memorial Arena, theft of money from milk bottles, fraudulently collecting for the March of Dimes, charging eatables at a local grocery store to other customers' accounts.

The six boys will appear in juvenile court this Saturday, the police head said. Cracking of the ring came early this week when some of the boys were caught shortly after dressing rooms in the arena had been raided during a mercantile hockey league game Sunday.

The boys systematically rifled all the clothes of the players, netting an undetermined sum of money and other valuables. One 15-year-old boy, who is said by police to be the ringleader, is believed implicated in all or most of the petty crimes committed during the past two or three months.

Residents at the north end of the city have been victimized in the milk bottle raids and phoney March of Dimes collections. Some of the boys, who played "hooky" frequently, obtained weiners, buns and other delectables at a north end store by charging them up to somebody else's account.

Judge of the Juvenile Court G. A. McKay faces a busy session this Saturday. Several other cases that have been held over for some time are scheduled for a hearing.

Included will be: one boy charged with attempting to break into the arena in January, three boys for breaking and entering Craig's Candies Ltd., and theft of candies; two boys for theft of lumber; two boys for theft of a photographic printer and Christmas tree lights; one boy for possession of the photographic printer; a Westside juvenile for supplying an Indian with an intoxicant; two boys for assaulting a third boy.

The photographic printer and Christmas tree lights were stolen shortly before Christmas, but the matter was recently brought to the attention of the police, Sergeant McKay said.

Investigations are still continuing on several other complaints, he added.

Two of the boys mixed up with the arena thefts have a serious delinquency record over the past two or three years.

WILL COMPLETE BREAKWATER

The breakwater on the water-front will be completed as soon as possible. K. W. Morton, federal department of works engineer at New Westminster, informed the City Council by letter Monday night.

Mr. Morton explained that completion of the work was delayed when the company, which was to deliver the piles, had failed to do so. Other arrangements had now been made and the piles will be delivered as soon as road conditions permit. Mr. Morton expressed desire to have the work completed before the high water would inconvenience work.

The breakwater referred to is that being constructed by the federal government for the protection of small boats at the foot of Doyle Avenue.

12,000TH CAR VALLEY FRUIT LEAVES SOON

First Lot of New Zealand Delicious Apples Will Arrive In East Shortly

The 12,000th car of the 1948 crop of fruit and vegetables will leave Kelowna the latter part of this week. A. K. Lloyd, president and general manager, B.C. Tree Fruits, advised today. Up to last Saturday, total of 11,939 cars of fruit and vegetables had left the valley, compared with 12,769 at the same time last year and 15,817 in 1947.

Referring to markets, Mr. Lloyd said the first lot of New Zealand Delicious apples from the 1949 pack will arrive in Eastern Canada the first of May. This will not affect the Okanagan, as the 1948 crop will probably be disposed of by that time. At present, eastern demand for B.C. apples is good.

U.S. markets continue strong for desirable grades and sizes, but demand for lower grades and smaller sizes has been slow and draggy during the past week. Western Canada movement is normal for this time of the year.

RED CROSS DRIVE NEARS OBJECTIVE

Total of \$10,000 Already Collected; Quota May Be Reached Monday

The \$12,000 quota for Kelowna and district in the current Red Cross campaign, is within striking distance, and E. R. F. Dodd, campaign chairman, is confident the objective will be reached by Monday.

To date a total of \$10,000 has been collected. Many organizations have exceeded individual quotas. Among those going over the top within the last few days, with the quota figure in brackets, are: Juniper Women's Hospital Auxiliary, \$283 (810); St. Agnes, \$538.50 (\$510); Women's Auxiliary, Canadian Legion, \$205.85 (\$200); Okanagan Mission, \$1,345.80 (\$1,000); South Kelowna, \$277.25 (\$325); East Kelowna, \$741.50 (\$700); Rotary, incomplete, \$560 (\$500).

Red Face

And then there was the story about the stenographer.

It seems a local business executive had just finished dictating a letter stating that certain adjustments would have to be made due to the rising cost of living.

Returned for his signature, the letter referred to the high cost of "loving".

Needless to say the middle-aged stenographer went around with a red face for the next couple of days.

SULKY CLOUDS SHROUD FAMED OKANAGAN SUN

The Sunny Okanagan was just a name this week as sulky clouds hovered over the valley letting down nearly one-quarter of an inch of water in the guise of both snow and rain. Total precipitation for the past three days was 23-inch, according to R. P. Walrod, local weather observer.

Forecast is cloudy, scattered showers or snow flurries, not much change in temperature.

Pamphlet Shows Kelowna Youth Unloading Red Cross Supplies

Thousands of little pamphlets, publicizing the Canadian Red Cross, B.C. Blood Transfusion Service, have been circulated throughout B.C., but little do Kelowna people realize the picture on the cover was taken on Lake Okanagan.

During the flood peak last year, the city wired Vancouver for medical supplies, and a Canco flying boat landed near the Aquatic with a load of blood plasma, vaccine, and other supplies. A photographer was on hand to get a picture of the landing and unloading, and this picture graces the cover of the pamphlet.

Of additional interest is the fact a Kelowna boy is shown in the picture helping the airmen unload the supplies. He is Walter Curtis, a 15-year-old apprentice in the mechanical department of The Kelowna Courier. Walter was on deck in a small Aquatic rowboat, and is seen in the picture unloading blood plasma.

An interesting side-note to the appearance of Walter on the cover, is the fact that his mother, Mrs. O. Curtis, a Red Cross canvasser during the current drive for funds, has regularly been passing these pamphlets out to donors, and only recently realized it was a picture of her son on the cover. It took his sister, Carol, to recognize him.

Walter is the son of Mr. and Mrs. O. Curtis, Coronation Ave., and when the picture was taken, he was a student at the Kelowna High School.

H. V. Craig Well-Known Lawyer Dies

Pronounced Dead After Collapsing on Steps of Police Court

Herbert Vivian Craig, Kelowna barrister, widely-known in legal and political circles in the Okanagan and at the Coast, died suddenly this morning after a heart attack. He was 68 years old.

Mr. Craig was stricken at 10 o'clock, just as he reached the steps of the B.C. Provincial Police office on Mill Avenue. Police carried him indoors where, upon the arrival of a physician, he was pronounced dead. The lawyer, who in the past has often acted for the crown in court cases, was to have prosecuted in a rentals case in the temporary court house in the police office.

A native of Ireland, Mr. Craig was wearing a cluster of shamrocks on his St. Patrick's morn when he died. Funeral arrangements, entrusted to Kelowna Funeral Parlor, will be announced later.

Born Near Dublin

Born near Dublin, Mr. Craig attended school there, graduating from Trinity College. After coming to Canada he enlisted in the 72nd Battalion in February 1917 and was transferred later to the 29th Battalion. He saw service in France before he was discharged in August, 1919.

Upon his return to Canada, he went to take charge of Land Registry Office at Kamloops, coming to Kelowna in 1922 to set up a private legal practice. During his 26 years here he was active in the Liberal party. At last Monday night's Yale Liberal Association meeting, Mr. Craig seemed to be in good health, and took part in the discussion.

He is past president of the Canadian Legion here and was Grand Master of the local Masonic Lodge in 1933. For several years he was official returning officer for the Yale federal riding.

He is survived by his wife.

CITY WANTS LIGHT, POWER CONFERENCE

Mayor, Suggests Power Situation Should Be Reviewed in View of City's Growth

The City of Kelowna has written R. G. Anderson, general manager, West Kootenay Power and Light Company Ltd., asking that a meeting be arranged for a comprehensive discussion on the whole power situation.

The Mayor's letter read, in part: "We are very anxious about the future of our city as regards to power and light and there are a number of problems we think should be threshed-out. Your company and ourselves have had many years now of co-operation and in the main our relations have been satisfactory to the city and, we believe, not unprofitable to yourselves."

The city is developing rapidly from the small town to a city serving a considerable population. We think the whole future should be surveyed. We are having enquiries from firms interested in our new industrial area and the requirements of the future will be much larger than those of the past. It is essential that we be in a position to offer both the old industries and new ones an adequate and efficient power service. We would, therefore, appreciate it if you could arrange in the very near future a meeting between your company and the City Council so that these matters may be threshed out."

THREE INDIANS, WHITE MAN GET LIQUOR FINES

Three Indians and a white man were fined in city police court Monday on charges under the Indian Act.

Mary Manuel and Thomas Eli, both of Westside, each were fined \$10 for being unlawfully intoxicated, and Joe Manuel, also of Westside, was fined \$25 and costs for being in possession of an intoxicant.

Acting Police Magistrate G. A. McKay fined John Desmarais \$50 and costs for supplying Eli with the intoxicant.

C. Butcher, of Vernon, proposes to erect a store and operate a flower shop at 451 Leon Avenue, opposite the Kelowna Club.

Resolution From Kelowna Liberal Group Calling for Co-operation with Pro-Conservatives, is Defeated

—Four-Man Committee Will Be Appointed to Consider Probable List of Candidates—Names Will be Placed Before Another Nominating Convention — Kelowna Resolution Causes Bitter Debate

Will Definitely Nominate

By "THE BEAVER"

AFTER five hours of bitter debate, punctuated by charges of a disloyalty to the party, insinuations of a badly-organized meeting, and haranguing over party policies, topped by an almost unanimous decision that the Liberals will not have any part or parcel of co-operation with the Progressive Conservatives, the Yale Liberal Association failed to nominate a candidate Monday night for the forthcoming general election.

Instead a four-man committee will be appointed by the executive to consider a list of probable candidates, and these names will be placed before another nominating convention to be called by the executive.

In one of the stormiest political meetings ever held in the Okanagan, the 170-odd delegates did not adjourn until close to 1 a.m. Many drove over 100 miles to attend the meeting, and before President Howard Thornton declared the meeting adjourned, some expressed displeasure over the way the convention had been conducted.

A Kelowna resolution submitted at the start of the meeting, which called for the postponing of the nominating convention until efforts had been made to unite with the Progressive Conservatives to bring forth an independent candidate with a view of defeating the CCF standard-bearer, touched off the Hayman.

Presented by Bob Hayman, president of the Kelowna and District Liberal Association, it resulted in two and a half hours of bitter debate, and necessitated a half-hour adjournment before Thornton ruled it out of order. A resolution calling for the adjournment of the nominating convention and reconvening as a general meeting, was presented, and it was carried.

The Kelowna local then presented the same resolution, and the debate over the merits of Liberalism started again. Put to a vote the resolution was finally defeated. Hayman then moved that the resolution be submitted to the various Liberal locals, and once again the suggestion received a negative vote.

Led by strong Vernon delegation and receiving a considerable amount of support from the central and southern part of the valley, the northern Liberals wanted to nominate a candidate immediately and the advisability of naming a Liberal standard-bearer without first canvassing the field, again resulted in another long discussion.

Jim Hendry, Pentticon, charged some of the northern delegates with being late in arriving, being held up by the detour south of Vernon.

Finally, Thornton called the meeting to order.

None of the delegates pulled any punches, and there was a definite split between those who favored collaboration with the Conserva-

Turn to Page 5, Story 1

ANNUAL AQUATIC MEETING SET FOR MARCH 25

Annual meeting of the Kelowna Aquatic Association will be held in the board room of B.C. Tree Fruits Ltd., on Friday, March 25.

Dr. Walter Anderson, president, will be in the chair. Election of officers and plans for the 1949 regatta will highlight the meeting. It is also expected that Dr. Anderson will reveal plans that have been underway for some time concerning the revamping of the aquatic buildings.

FURNISH INFORMATION

DeLuxe Pictures of Winnipeg has written the city asking for information regarding licences and other matters pertaining to its business of taking pictures on the street. The information will be supplied.

Flood Control Work May Be Completed by 1950, States Gov't Engineer

The implementation of the engineers' flood control report will probably be completed in 1950, according to advice given the Kelowna City Council by K. W. Morton, federal public works engineer at New Westminster.

"It is indeed gratifying to know that the engineering board's plans for the control of floods in the Okanagan Valley are to be proceeded with and will probably be completed in 1950," Mr. Morton wrote. "Surveys for the acquisition of the required land are now nearing completion and plans for construction are under preparation."

The public works department's estimates in the provincial legislature provided for the province's share of the \$2,200,000 expenditure. The federal share has been included in the public works department's estimates.

Mr. Morton pointed out that no part of the project will be useable until the whole project is completed.

Replying to a letter written by Mayor Hughes-Games, Mr. Morton said: "I regret to say that our statement that 'a natural run-off of water would never be a threat to us in this area' is not correct. This is not merely an opinion but a matter of record, since it is definitely known that in 1906, years before any control was inaugurated, Okanagan Lake rose to a level of elevation 107 or two feet higher than that attained in 1948. Also, although no actual record is available, it must be accepted that the lake must have reached a still higher level in 1894."

These natural conditions existed many years ago when settlements of the Valley was considerably different from what it is now, not only in the area from Pent-

ton south, but also around the centres of population on Okanagan Lake. This refers to the opening up for settlement of lands along the verge of the lake, conforming to the later lake control and the extension of the land uses throughout the area in a very intensive development. The control dam admittedly does provide control, not only against flood, but also against drought, definitely a very serious problem in an irrigated area."

His Worship commented that old residents claim that the reason for high water in the lake in 1906 was that the river was full of fallen trees and debris which formed a dam to hold back the lake waters.

Mr. Morton's letter concluded: "I believe after last year's floods and both flood and drought conditions in years past since control was inaugurated, the people of the Valley are convinced that this department has handled the situation in a way to being the least inconvenience, damage or disaster with the condition existent."

"Another year should be the last of these dreaded annual conditions and by 1950 all danger of further floods or droughts should be over."

THURSDAY, MARCH 17, 1949

Needed: \$400.

There is a very deserving local organization in danger of embarrassment all for the want of \$400. It is one of those organizations which works quietly and rarely makes an appeal to the public for funds and which, too, probably contributes as much to the building of good citizens as do those organizations operating on a wider and more vocal scale. Probably the reason it is now in need of \$400 to complete one of its projects is that it has not been vocal enough. It is the local Girl Guide movement.

Why should the Girl Guides need \$400? The answer is easy. A camp site is one of the essential requirements for complete Guide training and for some years a site was rented at Okanagan Centre. But this site was sold and another suitable location with good beach and all the requisites was found. But this, too, was being sold, but the owner made a special price for the Guides. They bought it, but had no funds to pay for it. They needed \$1,500. Through the committee's own efforts \$1,100 was raised and now the balance, only \$400, must be found by the end of this month.

An appeal was made some weeks ago to the various service clubs in the city, but of them all, only the Gyros came through with any cash. That organization donated \$50.00. Had all the service clubs done as much, the now-needed \$400 would have been almost in the bag. The service clubs did not turn a cold shoulder to the request because it was not a worthy cause and not deserving of consideration and assistance. They took no action because the matter had not been "sold" to them. Such organizations are the constant target for appeals of all types and, of necessity, they must be hard-boiled. More than an explanatory letter is needed; a personal explanation can do much more. Perhaps some of the service clubs might reconsider the matter?

But an appeal is now being made to a

wider circle than the local service clubs. It is being made to business firms and individuals who are interested in seeing that our young girls are brought to womanhood instilled with the fundamentals of good citizenship and personal "know how." Those organizations, businesses and individuals who are interested in seeing the excellent work of the Girl Guides extended in this area are requested to give tangible expression to those desires by a cash donation. It need not be large. Only 400 donations of one dollar each would do the trick. But some donations of five, ten or twenty-five dollars would go much further.

Donations may be made to Mrs. P. G. James, 300 Royal Avenue. However, if more convenient, they may be left at The Courier office and a receipt will be given.

It is true to say that no organization working among our young women deserves as much support as the Girl Guides, yet it is quite true. The organization has been reorganized in this area and is rapidly placing itself in the position to expand its work. It has shown its ability by raising \$1,100 but needs just a little more help to reach its objective. A generous response to the appeal will encourage its leaders to continue their work which entails considerable personal sacrifice. Kelowna can't afford to ignore this small appeal of assistance from the Girl Guides.

Many appeals have been made for boys organizations and have met with generous response. This is an appeal to assist a girls' movement. Let's give the girls a break by sitting down NOW and writing a cheque.

C.C.F. And The Farmers

Mr. Murray Cotterill of Toronto, the political action director of the Canadian Congress of Labor, has announced in Winnipeg that the CCL will raise an election campaign fund for CCF candidates in Greater Winnipeg.

Mr. Cotterill proposes to obtain \$1 per member from the trade unions affiliated with the CCL, and in this way hopes to raise about \$12,000.

The Canadian Congress of Labor, he said, supported the CCF because the CCF is the only political party prepared to support legislation desired by the CCL—that is, the CCF is the only political party which will do the CCL's bidding.

It is too bad that Mr. Cotterill's campaign for funds should be so restricted. He should carry his canvass out into the country to the farmers. The fruit growers of the Okanagan doubtless, would be only too happy to put up cash for the only party which is prepared to support the legislation desired by the Canadian Congress of Labor.

TWICE AN IMMIGRANT, HE RETURNS TO BRITISH COLUMBIA

Giuseppe Strange, left, has returned to Canada as a two-time immigrant from Italy. Twenty-two years ago he left the coal mines of British Columbia after 13 years in Canada, and returned to his home land "to raise a family." His family, Giovanni, is raised and Giuseppe has brought him to British Columbia where they were welcomed by Giuseppe's twin brother, Anthony. Giovanni can't wait to get at his cooked-in-butter mushroom and steak feast that his aunt, Mrs. Anthony Strange is preparing on their arrival.

Penticton Residents Express Full Confidence in Memorial Committee As All Officers Are Re-elected

PENTICTON—Re-election of the present slate of officers of the Penticton Living Memorial Association and a determination to continue all efforts towards realization of the construction of a memorial recreation centre marked the statutory annual meeting of the association held last week.

The meeting was somewhat sparsely attended. As the advertised time of 8:00 o'clock approached there were but four donors in the hall. One by one, this number grew to 30 and the evening's business was thereupon carried out with despatch.

"I can only assume that the small turnout indicates a general satisfaction with the way things are going," smilingly commented Chairman Paul E. Pauls, as he called the meeting to order. "I am glad some of you are here, for this project merits the future active participation of the whole organization."

H. K. Whimster, vice-president of the association, gave a review of all that has transpired since the November meeting of donors that precipitated the petition leading to the plebiscite on February 26 that gave assurance taxpayers are behind the movement.

Mr. Whimster described how

Hatfield. "I suggest we do not be in too much of a hurry to hand this money over to another body to spend."

"That's a point well taken," commented Mr. Pauls. "But if precedent is followed, a commission must be set up. It will be nominated by the council and confirmed by the voters, but there is no doubt some members of this committee will be asked to serve on it. But I don't think we should worry about that now. Our job is to concentrate on getting things moving in the right direction."

Mr. Whimster, stating that he was speaking as a private citizen, called for a frank statement from the council as to its financial position. "They owe it to the thousands who worked and voted for this thing."

He said that if the situation arose where the council felt it could not raise \$50,000, the sum mentioned in the plebiscite as a minimum, but that they would feel justified in putting a by-law for \$100,000, a meeting would be called to "rescind the previous motion and approve of council's action."

Use Influence
"But there is always the question that we might not be able to get anywhere. Then what are we to do? I will make one suggestion. If there is no by-law by next December, we should remember that we will have the opportunity of electing five men to the council. We should run a slate of five men pledged to see this thing through. That seems to me to be a perfectly

Changed Views
"There is nothing official, but the official poll seems to have changed the council's views to some extent," he said, including this report on this phase of activity.

Treasurer J. B. Feeney reported on the fund's position, according to an auditor's report. The fund has \$63,308.38 in cash and bonds on hand and there are pledges amounting to \$3,822.65 still to be collected. "If we secure this pledged amount, we will have \$72,491.03," he stated.

Of the fund's assets, the sum of \$48,949.42 is in bonds, \$12,947.98 in a savings account. It was stated that the amount of bonds on hand was but recently increased to \$20,000. President Pauls adding the explanatory note that the fund was nervous of buying bonds at \$105.

It was Commander H. G. Nares who moved approval and adoption of the financial report.

There was little time lost in the election of officers.

After J. A. M. Young had nominated Mr. Pauls for re-election as president, Harold W. McInnes asked that the present executive be named.

"You see them here before you," replied the chairman, pointing to his executive which comprises, in addition to himself and McInnes, Secretary E. H. Cleland, Mrs. V. B. Robinson, G. B. Latimer, Treasurer J. B. Feeney, H. S. Kenyon and N. G. Kincaid.

Good Job
Mr. McInnes thereupon moved that the entire slate be re-elected and Mr. Young followed up with a prompt motion that nominations be closed.

"I am heartily in favor," said Mr. Nares. "You have done an outstanding job and as you are so familiar with the continuity of action, it is only fitting that you should all be asked to serve again."

Amid applause, the re-election of the executive was approved with Mr. Nares adding, "I feel that everyone here would like to express to you personally, Mr. Chairman, and to your whole committee a very hearty vote of confidence and thanks for the way you have conducted the affairs of this association and for the tremendous success of your efforts to date."

Mr. Pauls voiced the committee's thanks for the confidence placed in them and urged that a co-operative spirit motivate all future actions.

"When the by-law is passed and the fund becomes a spending fund, there is no doubt this committee will have to be superseded by a commission," he said.

"Let's forget the differences of the past. Penticton has told us what they want to do and we should be prepared to incorporate other bodies and move forward hand in hand."

"The donors have every confidence in this committee," stated Farley

logical weapon for us to use. I to be devoted to the arena. "Even sincerely hope, though, that we will if we get the by-law, there will not be pushed to that extreme."

The meeting was then devoted to a discussion of various aspects of the type of arena looked for, with several members offering their suggestions. Mr. Whimster pointed out that a site near Queen's Park might be available and that the building could then serve as an adjunct to the Penticton Festival. He stated that local curlers have been a "holding back" but would now be ready to lend their weight to plans for the arena.

Mr. Hatfield suggested that service clubs and other organizations be asked to set aside a percentage of their money-raising endeavors for logical weapon for us to use. I to be devoted to the arena. "Even sincerely hope, though, that we will if we get the by-law, there will not be pushed to that extreme."

Frank Laird pointed to the Glencoe Club at Calgary as being an example of a community centre that donor suggested that the experience gained in the operation of centres at Nelson and other places might be valuable.

Mr. Young commented that eventually a small had made the suggestion that a location near the lakeshore so that the refrigeration facilities at the packinghouses could be used and Mrs. Robinson and Mr. Latimer both emphasized that the ideal to be followed was one of a complete community centre with facilities for recreation for all.

EDMONTON'S \$3,000,000 BLAZE

Edmonton firemen fought this blaze for three days before bringing it under control. The warehouse was situated just outside the city's downtown section, and damage was estimated at \$3,000,000.

—Central Press Canadian.

OTTAWA REPORT

By O. L. JONES, M.P.

EDITOR'S NOTE: The following news report from Ottawa is one of a series by O. L. Jones, M.P., in which he will report the doings of Parliament for his constituents. The reports are carried with only one stipulation: that they be news reports and not editorialization; that they be non-partisan and not politically slanted. The Editor reserves the right to edit any such infraction of that stipulation.

Last week I received many letters requesting the removal of the 'austerity' or luxury tax of 25 per cent. These letters came mostly from Grand Forks, Vancouver, Penikese, Oliver, Summerland, Vernon and Kelowna. From the letters one gets the evidence that this tax is not only unpopular, but is discriminatory. Our only chance to remedy the situation rests on the last definition.

To classify one particular trade as a luxury trade is not sound practice—I refer to the jewelry trade, nearly all of whose stock is taxable. The argument may be well advanced that clothing and food under given conditions become luxuries, when shoes in some cases are sold at \$30 a pair and chocolates reach \$10 a box. This question has been brought before the government by several speakers already. Petitions and several requests have reached the government but the stock answer is that a government policy affecting income or expenditure is not made public until the government is ready to act.

Not only do I think the 25 per cent is discriminatory, but the original object of the tax imposition has been attained, that was to conserve our dollars for war purposes and free skilled men from the jewelry trade for technical war work.

A similar request has been made to the government that it remove the luxury tax from soft drinks and chocolate bars. In this case the argument was advanced that youngsters should be encouraged to drink mineral water at a nominal price, in public rather than expensive with other and more harmful drinks. Our opportunity to discuss these items will come during the budget debate, when the revenues of that department are under review.

It has been a common subject of controversy for some time now that the government is resorting more and more to ruling by order-in-council, but very few people realized just to what extent this was true. On Wednesday last the Prime Minister gave this information, in answer to a question by Mr. Diefenbaker, the grand total of orders-in-council, including those passed under war measures act, came to 145,382, for the period from September 1, 1939, to March 4, 1949. The Prime Minister pointed out that 90 per cent of these were administrative, an order-in-council being necessary to put into effect the wishes or ruling of Parliament. It was also pointed out that the same system is practised by the British Parliament.

With a vast number being passed each year, it would be surprising if among them there was not the odd one that called for comment, or criticism; such was the case in relation to those passed allowing the entry into Canada of certain French families, against the ruling of the immigration department. These cases are still under review; should the courts decide against them, then even entry by order-in-council does not give protection against deportation. The explanation given by the Prime Minister has taken the mystery out of a controversial subject, especially by the publication in Hansard of the first 200 of such orders, was the air clarified.

On Wednesday two votes were taken in the House, one on the Speaker's ruling, the other on the C.C.F. sub-amendment to the throne speech. I am not going to deal with the vote, but with the method of voting. Each time a vote is taken, there is a period of ten to twenty minutes taken up while the bell rings to bring all the members into the Chamber, then the Clerk of the House calls each member by name as the member stands up to indicate his support.

This takes another thirteen to fifteen minutes, so with two votes in one afternoon, it seems to me much valuable time is lost. In the British Parliament all members file into separate corridors when a vote is taken—those for in one, and those against in the other. It then becomes a matter of counting, as they enter. I could not say if it is more expeditious that way or not, but I do feel that some more effective method could be devised than the one we now employ.

We, the members from Western Canada, are looking forward to a short holiday in the west at Easter. If any constituent has a personal problem that comes into my field of work, I shall be pleased to give such a person an opportunity to state his or her problem to me during the week after Easter.

EAST KELOWNA W.I. MEMBERS HOLD MEETING

EAST KELOWNA—The regular monthly meeting of the Women's Institute was held in the Community Hall last week.

The vice-president was in the chair; minutes were read, and the treasurer's report presented. Mrs. R. Smith was appointed the Okanagan Health Unit representative.

Mrs. J. Bauer and Mrs. P. Stankov were elected kitchen conveners. A basket of lovely hand-made roses was presented to the Institute by Mrs. Sherman. A discussion followed on the purchase of cutlery and plates. Samples were shown to the members, and it was decided to buy the required amount. Afternoon tea was served, the hostesses being Mrs. A. M. Thompson, Mrs. C. J. Wilson, Mrs. R. A. Widmeyer.

Floor BEAUTY on a budget!

Over the fence

By W. L. MacTavish

Mr. Ivor Thomas, a former junior minister in the socialist government of England, did not mince words when he resigned from his party and joined the Conservative party.

He says the socialist government now aims at such a concentration of power that it amounts to a totalitarian state, really differing only in method and timing from a communist dictatorship.

Mr. Thomas has been awakened—but he should never have needed it. Common sense should have told him that the socialist proposals would lead inevitably to a totalitarian state. Socialist state "planning" limits freedom.

Government controls grow by what they feed on. Adopt one control, and it leads inevitably to another, and another, and another.

Control the price of eggs and you must control the price of feed for the hens, and when you control the price of feed you must have control of the land which produces it, and all down the line.

The socialist method is a little different from the communist, but the end result is the same.

(The views of W. L. MacTavish are presented in this newspaper weekly under the sponsorship of the British Columbia Federation of Trade and Industry.)

OK. CENTRE W.I. PLANS SPRING SALE

OKANAGAN CENTRE—The regular monthly meeting of the Women's Institute of Okanagan Centre took place at the Community Hall.

Roll call took the form of questions on household problems asked and answered from the floor.

Plans were made for the annual spring sale to be held on May 27. The April meeting will take the form of an evening open meeting with a speaker from the Experimental Farm at Summerland.

Mrs. Fewell and Mrs. Reeve were the hostesses following the business session.

Mr. and Mrs. E. C. Nuyens left last week for a three week motor trip to San Francisco and will visit for a time at the home of the former's brother, Dr. L. Nuyens.

Mrs. Dawson returned on Friday from Kelowna where she has been a patient in the Kelowna Hospital for several weeks.

Mrs. B. F. Baker left on Thursday last for a fortnight's visit at the home of her daughter, Mrs. P. Baker, near Calgary.

CENTRE NET PLAYERS PLAY RETURN MATCH

OKANAGAN CENTRE—A party of men from the Okanagan Centre Badminton Club played a return match with the club of that place. They have admiration for the splendid hall in which they played, but found the difference in ceiling from the home court something of a handicap being beaten by a score of 13 to 3, after having taken the first match at the Centre.

Included in the party were B. Baker, H. Bernau, T. Collinson, A. Gabel, J. Fewell, F. Parker, K. Nuyens and R. Jeglum.

Mrs. I. Hunter was hostess at her home to the Women's Association of St. Paul's United Church. The vice-president, Miss MacLennan, was in the chair. The financial report of the recent entertainment held in the Community Hall, thus raised was voted to the new church to be built at Winfield and for the renovation of the manse at Rutland which is to be undertaken.

A social affair to be held next month was planned after which refreshments were served by the hostess.

BLOOD DONOR HONORED

LEND LEASE — FEMALE FASHION

Not only have Mary Uglanitz of Bayonne, N.J. (left), and Ada Fishburn of Spennymore, Ont., shown together at a London reception, agreed to swap jobs and living conditions, but Mary is throwing in an introduction to her boy friend to boot. She has invited Ada, a factory worker, to live with her family in Bayonne for a month and will give her a letter to the B.E. Frank Wagner, also of Bayonne. Mary works in a fluorescent lamp factory and is on a visit to England. The "exchange scheme" was her own idea, she says, and the rest is up to Ada, who left recently for the U.S.—and Frank.

—Central Press Canadian

A MAN'S WORLD... SHE BECAME ONE

—Central Press Canadian

Mrs. Billie Morrison seems troubled by the fact that she is being held for investigation by Denver, Colorado, police, who, apparently, aren't sure whether Mrs. Morrison has broken any law by masquerading as a man. She told authorities that she has been a "man" for 20 years, earning her living at male trades, such as painting and manual labor. Originally from Texas, Mrs. Morrison said she was married when she was 16, but the marriage didn't take. It was then she decided that "it's easier

that the Kelowna Fire Brigade had been called to Winfield. Local residents are not aware of any call having been made in Winfield by the brigade.

SOUTH OKANAGAN VALLEY NEWS ROUNDUP

TROUT CREEK FLOOD CONTROL Committee, which comprises residents of the Trout Creek area around Summerland, wired Hon. E. C. Carson, informing the public works department that the committee is prepared to put up \$100 toward flood control work on Trout Creek. Although the survey of Trout Creek was made a month ago, no information that the government would speed up the joint arrangement for control had been received by Summerland residents.

A MAJOR STEP HAS BEEN made towards the abolition of the West Summerland fire district and the regrouping of the whole municipality into one area covered by the one brigade. Last week two Summerland residents, J. R. Campbell and W. J. Beattie approached the council with a request for assistance in paying for brigade practices. As a result, the West Summerland Volunteer Fire Protection Society, which operates the fire district, has called an extraordinary meeting to discuss the subject. Every councillor spoke in favor of the operation of the municipal fire brigade, but Councillor F. E. Atkinson pointed out that it would be necessary for a group such as the present volunteer society to continue to assist in administering the fire brigade.

SUMMERLAND CO-OPERATIVE Growers' Association last week sent out cheques to its shipping members totalling \$40,000 in another of its series of grower payments. This payment consisted of final payments on cherries and crabapples and advances on Newtowns, Wine-saps, Wageners and sundry varieties.

SUMMERLAND BUILDING permits issued during January and February are far below those issued during the corresponding period last year. Cold winter froze building activity to such an extent that only six permits were issued. Value of February permits was only \$2,650 bringing the total at the end of month to \$3,080. In 1948, by the end of February, 13 permits valued at \$10,295 had been issued.

PENTICTON'S NEW COURT-HOUSE will be officially opened on March 19. The structure, which will house all government offices in the district, has been under construction for more than a year. It is now completely furnished inside and ready for occupancy. Cost of the building is estimated at \$200,000. Premier Byron Johnson may be present to open the building, but should he be unable to attend, his place will be taken by Hon. Herbert Anscomb, minister of finance.

SUBSTANTIAL PROGRESS has been made this year on carrying out Penticton's \$125,000 program of rebuilding its electrical distribution system. Of the three main phases of the work, reconstructing the bench line, building a new line in the East alley, and laying underground cable to the pack-

WINFIELD—In the volleyball league, the Centeries are leading with 16 points, having won all other games, followed by the Wood-dale Wonders 10 points; Mainlin-ers, 8 points; Eagles, 6 points; Tig-ers, 4 points; Hi-Roaders, 4 points.

On March 28 the play-offs take place and an interesting evening is being planned.

Miss Gertie Konig left for Vancouver last week where she will visit for some time.

Excavation work has commenced on the new United Church being erected to replace the one recently destroyed by fire.

It was reported in The Courier

ARABS IN ISRAEL PARLIAMENT

Two of the Arab delegates, distinguished by their head-dresses, are shown attending Israel's first parliament in Jerusalem. Seated in rear, they are Mohammed Said el Zabi and Amin Salib Jarjura, both of the Nazareth Democratic party, with David Ben Hachoen (right) of the Nazareth Labor party. In front are two M.A.P.A.I. delegates.

—Central Press Canadian

to get along in the world" as a man. The secret was kept by Mrs. Morrison's daughter, 19-year-old Judy, until recently when mom and the gal had a quarrel. Judy went and told a cop about the masquerade.

OIL HUNT ON MUNDARE, Alta. — (CP) — Seismic work is being done in the Mundare district in search for oil. Trucks and drilling outfits are already on the scene.

Attention Heating Engineers

Tenders are invited for supplying and installing a hot water heating system in the new Vernon United Church which is under construction.

Plans and specifications can be seen at the office of Bulmans Limited in Vernon.

Tenders to be delivered to the undersigned in person or by registered mail not later than 12:00 noon, 18 April, 1949.

A marked cheque for twenty-five dollars must accompany the tender, such cheque to be returned when final selection of tenderer has been made.

The lowest or any tender not necessarily accepted.

H. C. WADE, Secretary.

"LOOK — a cheque from Ottawa!"

This month you may be in for a pleasant surprise.

Cheques, representing refunds on compulsory savings during 1943-1944, are now being mailed to over 2,250,000 Canadians. One of these cheques may be coming to you.

Saving this money meant sacrifice and self-denial. Think twice before you spend it. You can make it count for something by tucking it away in a Royal Bank savings account. Use it as a nest egg—to build up your savings, to gain that added sense of security that savings bring.

You'll always be glad you saved.

FASCINATING FACTS—The Canadian Government will pay back this month over \$247,000,000 in refundable savings.

Some 50,000 cheques are still held at Ottawa from last year's distribution because the owners cannot be found.

NOTE...if you have changed your name or address since 1943, be sure to inform the Department of National Revenue. Change of address cards for this purpose are available at all Post Offices and District Income Tax Offices.

ON LONG WAY ROUND TO ISRAEL

Part of the group of 447 Jewish refugees en route from Shanghai, China, to the state of Israel, who arrived in San Francisco, Calif., on the liner General Gordon wave happily on completion of the first leg of their 15,000-mile journey to "promised land" as part of "operation freedom." All are persons who fled Germany and other European countries in a sealed train to board a ship in New York for Israel. They are making the long journey under the auspices of the International Refugee Organization, a U.N. relief agency for D.P.s.

LIBERAL CONVENTION

Continued from Page 1

tives and those who wanted to support a straight Liberal candidate with no strings attached.

Momentous Point

"Judging from the publicity given in the newspapers, we have a fair representation," he declared. "We have reached a momentous point in the Liberal party. Some may believe differently. Many of you are steeped in Liberal ideals and have voted nothing but Liberal. It may be purely sentimental. But the eyes of everyone are on us tonight. From sweat and experience we gain faith."

At this point J. W. Johnson interrupted. "Let's get a credentials committee appointed. We have to catch a ferry," he said. Another ten minutes was then taken up deciding whether the executive officers should have a vote in addition to the official delegates. The additional votes were finally agreed upon.

Bob Hayman then introduced the Kelowna resolution calling for postponing the nominating convention until efforts had been made to unite with the Pro-Cons with a view of bringing forth an independent candidate.

Coming To Life

Tracing the history of Yale riding Mr. Hayman said no Liberal had been elected since the constituency was created. "Yale has been represented by the Progressive Conservatives with the exception of one year... and that is this year," he declared. "The Yale Liberal Association is starting to come to life and showing itself all over the valley. So far it has had no opportunity to make an imprint on the valley," he continued.

He said O. L. Jones has now become a major threat. "He is gaining an ever-widening audience. What is the opinion of the electorate? The majority believe he will be a hard man to get out," he charged.

"Many Conservatives have registered disgust over the way the Conservatives nominated a candidate. The majority of these people believe the only answer is combining forces for an anti-socialist vote. The people want to see us put the

welfare of the constituency ahead of party ambition. It is our duty to lead away from a three-way fight. It is an easy thing to advocate party politics, but it is a hard task to suggest a combined Liberal-Conservative vote. It is our duty to free the constituency from a socialist representative," Mr. Hayman continued.

"What effect will this resolution have?" he asked. "If it meets with the approval of this convention, it would be squarely up to the Conservatives. The Conservatives would be blamed for a three-way split, as the onus would fall squarely on their shoulders. If they do not co-operate, we could empower the executive to call another convention and nominate a candidate," he concluded.

H. V. Craig, Kelowna, submitted the resolution was out of order in that the notice of the meeting called for the nominating of a candidate to contest Yale riding in the next general election.

Out of Order

"If that technicality is going to stand in our way, then I move an adjournment so that we can go on and consider this resolution," Mr. Hayman replied.

Another debate then followed as to whether the Kelowna resolution was in order, and Mr. Thornton called for an adjournment. Re-convening he ruled the resolution out of order, and Reid Johnston moved that the convention adjourn to reconvene at the call of the executive. It was seconded by Oscar Matson, Penticton.

"George Drew has done his organizing very well in Yale," declared W. G. McGregor, Penticton. "By adjourning we will be repudiating Liberal principles. You are playing into Conservative hands very well."

"I didn't come here for nothing. I'm going to speak for Liberalism," stated H. K. Bearsto, Vernon who then expounded the merits of his party.

A. W. Gray, Rutland, declared, "The Conservatives battled this thing out to two or three o'clock in the morning. If we're going to nominate, let's go ahead and do it." "The majority want a joint candidate. I had the pleasure of being a defeated candidate, just the same as you are going to have another defeated candidate if you have a three-way fight," said C. E. Oliver, Penticton. "Our only method of continuing with a democratic government is by having democratic men opposed to socialism. We can't afford to have a

divided vote. We don't have to worry as long as we have men of democratic principles. The majority of Liberals want to get together with the Conservatives so that we can have a democratic representative."

When Mr. Gray moved an amendment calling for the chairman to reconvene tonight, E. J. Chambers, Penticton, said the amendment is merely deferring the motion.

"What do you think we came here for? We came here to nominate a candidate," declared Frank Valh, Vernon. "We don't care whether we are defeated or not."

1949 Conditions

H. V. Craig moved that the meeting nominate a candidate and then adjourn. "This convention is concerned with the forthcoming federal election. We are concerned with conditions in 1949. George Drew has an ambition to become premier, and he may succeed. I think it would be unfortunate for Canada, but then unfortunately that is the way of the world. In order to succeed, he has to displace the Liberal government, and I can say without hesitation the Dominion of Canada has never been more prosperous than it is under the present Liberal government. Drew has to get rid of that majority if he has to reach his ambition of prime minister. To do that, every seat is important, including Yale constituency."

"To get together with the Conservatives, you are putting yourselves on the sucker list. I've been on one sucker list, and you have been for a number of years. That sucker list is maintained in Montreal. You dance to it, and that's what you do — dance to it all the time."

Long Struggle

"You are afraid if you nominate, you are going to let the C.C.F. in. I'm aware of that. But you've been struggling for a long time. We did not have the prospect of electing a Liberal. But we stuck with it. If we hold our Liberal association together, we can sometime win Yale. If we get out and work, we may be able to elect a Liberal candidate this time, and may be able to fool George Drew and keep off one more sucker list. My motion is to proceed with the nomination," Mr. Craig concluded.

H. K. Bearsto, Vernon, did not think the association was in a position to bring forth a strong candidate at the moment. "Do we believe in expediency, or do we believe in Liberal principles?" he asked. "I believe we are at the cross roads. The big issue has already been drawn by George Drew — an issue of dominion-provincial relations. Either we go forward in a national unity to take the right to live anywhere in Canada, or we are going to strengthen provincial authority whereby we are going to have a group of ten provinces fighting one another."

"We won't get half the vote we got in the last election the way we are going tonight," declared Oscar Matson, Penticton. Give us time, and we'll get a candidate," he said. "Several names have been mentioned. The press quoted Mr. Thornton as saying four strong names would be presented. Let's hear them. I'm not afraid to mention them. I've heard of Mr. Gray, Mr. Ross, Reid Johnston and Mrs. Dean. Mr. Craig is trying to confuse the issue. I'm not going to work for any of these fellows, and I'm not afraid to admit it," he declared amid a loud clamor. "That's the man I would like to see run," he said, pointing to F. L. Fitzpatrick.

When the meeting was thrown over to a general meeting, Mr. Hayman moved that the Kelowna resolution be considered. Mr. Craig again objected, and Mr. Thornton disagreed with Mr. Craig saying the nominating convention had adjourned, and that it is now a general meeting.

Mr. Hayman said the Kelowna resolution was perfectly constitutional, and Mr. Craig then moved an adjournment.

"What do you want me—and the executive—to do? We are not clear as to what to do?" asked Thornton. He was interrupted by a remark from the gallery. "We do not want a shot gun marriage with the Tories."

Oppose Coalition

"If you don't think you are capable of ruling, put it to the House," declared W. R. Powell, Summerland.

"Is that a suggestion?" asked Mr. Thornton.

"Why a suggestion? You are chairman. It's your duty to rule as you see fit," retorted Mr. Powell. The meeting again got out of order as half a dozen started to speak at the same time. Gray wanted a motion opposing coalition with the Pro-Cons.

Mr. Hayman then made a motion that the Kelowna resolution be submitted to the general meeting. It was defeated. He then made another motion that the resolution be submitted to the various Liberal locals for further consideration.

"If you consider this resolution in the locals, you can close up shop with the Yale Liberals because you will never elect another Liberal," declared A. W. Gray. "You are going to close up the Yale Liberal Association if you nominate an independent."

"Is Gray trying to tell us in Penticton what to do," retorted Mr. Matson. "Why force your opinions on us," he shot across the room.

R. F. Cruickshanks, Kelowna, charged that Liberals failed to get behind E. J. Chambers in the last Federal by-election. "Not twenty-five percent of the men who voted for him got out and worked for him," he declared. He said unknown men had been sent to Victoria and Ottawa only because they were given strong support.

He referred to Hon. Herbert Anscomb's letters as the "pretend double-cross in the Coalition government." "Let's go the Liberal way and if we don't elect a candidate, it will be the fault of everyone in this room."

Jim Hendry, of Penticton, charged that the whole evening had been wasted. "We came here for a nominating convention, and not to argue all night the way we have—the way this meeting."

Chairman Thornton interrupted and said "I don't see why I should make twenty-three trips down the valley—there have been too many hills over the way this meeting—(interrupted)—is it too much to ask you to come out and attend one meeting."

Someone Slipped Up
"I think this is giving us a lead. I want to know what I'm going to do next," Thornton continued. "I

don't like the insinuation it was too great an effort to come here tonight."

Mr. Hendry apologized if he had conveyed that impression. "But someone slipped up here. We have been told we have not the right candidate here."

Confusion again reigned momentarily, punctuated by a delegate's remarks, "Let's nominate."

H. K. Bearsto, Vernon, broke the deadlock by suggesting the appointment of a four-man committee—one each from the four provincial constituencies—to bring in a list of suitable candidates, and that the next nominating convention be called by the executive. Nominations would also be considered from the floor.

Hayman pointed out a motion was still on the floor, suggesting that the Kelowna resolution should be submitted to various Liberal locals for further consideration.

Party Death Knell

"I'm as cold as the rest of you—and about as fed up," he declared. "What I suggest is that the Kelowna resolution should be taken back to the various locals for discussion. I submit by nominating a Liberal, we will be singing the Liberal party death knell. I do not think anyone wins anything by defeat. There is one alternative. But we win a victory for free enterprise. That is true Liberalism. We have failed to imprint Liberalism in this valley. We do not carry Liberalism any further by putting up another Liberal candidate and elect a C.C.F."

The Kelowna resolution was again voted on, but was defeated. Mr. Bearsto then made a motion that a four-man committee be appointed, and it carried.

Before the convention adjourned, Mr. Hayman promised full support of the Kelowna and District Liberal Association in getting behind

a candidate that may be nominated at a future date. Mr. Matson also requested that steps be taken to ask for outside assistance in organizing Yale riding.

WINNIPEG, Man. (CP)—Tourists visiting Manitoba this year will find a pocket-size guide book ready for them. Published by the provin-

cial bureau of travel and publicity, the booklet contains information of 300 cities, towns and municipalities in the province.

FOR SALE—HEAVY WRAPPING paper, in large sheets. Useful for insulation and laying under carpets and linoleum. Limited quantity. 25c per roll. Kelowna Courier.

KAYCEES, RUTLAND MEET IN FINALS

First Game for Midget Hockey Title Scheduled for This Afternoon

Con-olation championship for the city and district midget hockey championship will be decided between Knights of Columbus and Rutland. First of the two-game total-point series is set to go this afternoon.

Crown Jim Weddell New Four-Way Ski Champion; Gib Wade Steals Honors

LANKY Jim Weddell Sunday was crowned the Kelowna Ski Club senior men's four-way champion at the conclusion of the annual club tournament run off on only fair snow conditions at the Ski Bowl on Black Knight Mountain.

Individual star of the meet, however, was Gib Wade, who placed first in the cross-country, downhill and slalom. Had Wade taken part in the jumping he would have been a cinch for the four-way title.

Weddell was only two seconds behind Wade in the cross-country, runner-up to Wade in the downhill, came off fourth best in the slalom, and finished third in the jumping. Presentation of the individual cups to the new champions took place at the Chalet after the tourney.

However, the awarding of the club cups will be saved for a big banquet; date to be announced later.

New Champions

Here are the 1948-49 club champions:
Senior Men's four way: Jim Weddell.
Senior Men's cross-country: Gib Wade.
Senior Men's downhill: Gib Wade.
Senior Men's slalom: Gib Wade.
Senior Men's jumping: Chester Wrynack.

Junior Men's champion: Bud Williams.
Junior Boys: Ralph DePuyffer.
Senior Ladies: Mrs. Helen Ahrens.
Junior Ladies: Cecile Seantland.
Ralph DePuyffer won the ski bowl standard and will hold on to it until competitions start again next fall. Officially now, skiing is over for the Kelowna Ski Club, though unorganized skiing will probably go on for two or three weeks yet—at least until the snow disappears completely.

Sunday results were:
Cross-Country
Senior men: Gib Wade, 11:38; 2, Jim Weddell, 11:40; 3, John McAlister, 13:49.
Junior men: 1, Bud Williams, 13:00; 2, Evert Lind, 13:05; 3, Don Muford, 13:49; 4, Bev Ponto, 14:54; 5, Billy Gaddes, 16:55.
Junior ladies: Cecile Seantland, 21:45.

Slalom
Senior men: 1, Gib Wade, 1:42; 2, Chester Wrynack, 1:46; 3, 6:30 p.m.

Ski Bowl Standard
1, Ralph DePuyffer 21:22 sec.; 2, Bill Gaddes, 21:56; 3, E. Lind 22; 4, B. Ponto 23:1; 5, Ernie Pow 24:2.

Jumping
Senior men: 1, Chester Wrynack, 224.5 points; 2, George Pifford 168.3; 3, J. Weddell 142.8.
Junior men: 1, R. DePuyffer 215 points; 2, B. Williams 184.2; 3, Evert Lind 172.1; 4, D. Muford 171.6.

Ski Bowl Standard
1, Ralph DePuyffer 21:22 sec.; 2, Bill Gaddes, 21:56; 3, E. Lind 22; 4, B. Ponto 23:1; 5, Ernie Pow 24:2.

Climax in the winter bowling for the Men's Commercial League is here. All three sections have or will conclude their second flights this week and the roll-offs are set for next Monday and Tuesday.

Twelve teams—four from each section—will roll six games next week, three on Monday and three on Tuesday, for the Builders' Supply trophy, emblematic of the league championship.

Presentation of the championship trophy and other prizes will be made at the annual league banquet, set this year for March 31, at the Anglican Parish Hall, starting at 2, 6:30 p.m.

THE CANADIAN ARMY — "INSURANCE FOR PEACE"

Today, the Reserve Force Soldier carries on in many ways the tradition of the pioneers. He reflects their spirit of building and guarding. For, like the pioneer, he is a Citizen-Soldier with a keen sense of duty to the community, recognizing the need to keep Canada growing — to keep Canada strong and at peace. The co-operation and active support of Canadians from every walk of life is important, for the Reserve Force is a vital part of Canada's defence system. The new Reserve Force has a lot to offer: Trade and technical training; athletic programmes;

Active Service rates of pay for time spent in training and summer camp. The Reserve Force Armoury is a meeting place where you can make new friends.

New Era Looms for Junior Baseball As Kelowna Joins Northern League

A determined attempt to establish a junior baseball league in the northern part of the Okanagan and Mainline districts will be made this year.

To this end the North Okanagan-Mainline Junior Baseball League was formed at a special meeting at Salmon Arm, Sunday.

The present set-up includes Kelowna, Kamloops, Salmon Arm and Revelstoke. Rutland may also have a Japanese team in the league.

A Vernon representative attended the meeting but informed the gathering Vernon would be unable to field a team this summer due to lack of practice facilities. "We think we can next year, though," he was quoted as saying.

Joe Camozzi of Kelowna, was named vice-president of the new league. President is Roy Fuoco of Kamloops; secretary-treasurer, Miss M. Bizzel, also of Kamloops. By-laws, constitution and schedule will be taken up at a future league meeting.

Also present at the Sunday meeting were representatives of South Okanagan clubs. They declined to take part in the northern set-up, preferring to remain as a composite southern league. However, their suggestion that playoffs be arranged between the two sections probably will be taken up.

Needs Lots of Help

Both Camozzi and Vic Franks, the other Kelowna representative at the Salmon Arm meeting, were impressed with the enthusiasm over junior baseball shown in the district here. They believe there is plenty of talent in Kelowna to make a strong team for league play.

However, "it will take a lot of work," said the new league vice-president, "and a lot of support from the people of this district. Right now our big worry is getting a good coach or two lined up."

Referring briefly to last year's season, Camozzi, secretary-treasurer of the Kelowna Boys Athletic Club, said total revenue from collections amounted to \$67.45. Collections averaged about \$8 a game.

The club was able to keep expenses down to \$28.85 and ended with a bank account of \$38.60. "This will be only a drop in the bucket compared to what we'll need this year," said Joe.

"A sponsor will be about the only solution," he thought.

KITCHENER, Ont. (CP)—A glider flight from Kitchener airport to Malton, near Toronto, may win Albert Pow, of London, Ont., a new duration record. Pow's glider, cut loose at 2,000 feet, stayed aloft six hours. The present record is 5 1/2 hours held by "Shorty" Boudreau of Ottawa.

LOCAL BANTAM SQUAD DROPS FIRST GAME

Bantam Packers Will Travel to Vernon for Final Game of Series

Bantam hockey at its best this season saw the local lads drop a 6-4 playoff game to Vernon bantams in Memorial Arena, Tuesday night. Final game of the total goal series for the Okanagan championship will be played in Vernon.

Saturday has been mentioned as the date of the second game but at press time was not confirmed. Next week seemed more likely.

The fighting spirit to win was there in big chunks Tuesday night as the Kelowna Bantam Packers and the Vernonites saw-sawed their way through two furious periods. But midway through the final stanza, Vernon went out in front again, only to stay there this time. Vernon's tiny goalie was probably the standout of the night, kicking out rubber from all directions.

First period—1, Vernon, Clough, 7:30; 2, Kelowna, Dirk, 9:04. Penalties—Schaefer.

Second period—3, Kelowna, Campbell (Dirk), 9:49; 4, Vernon, Sparrow (N. Ogasawara, Kishinaka), 11:32; 5, Kelowna, Campbell, 12:59; 6, Vernon, Sparrow (Shumay), 17:30. Penalties—Wheatley (2), Sparrow.

Third period—7, Vernon, Shumay (N. Ogasawara), 9:49; 8, Vernon, Shumay (N. Ogasawara), 17:01; 9, Kelowna, Fisher (Wheatley), 18:50; 10, Vernon, Clough (Ferguson), 19:25. Penalties—None.

Referees—K. Reeves, B. Johnston.

BOB WHEATLEY MOST VALUABLE BANTAM PLAYER

Activities of the bantam "National Hockey League" were officially wound up at Memorial Arena Sunday with the presentation of the Kiwanis Cup to the league champion Kelowna Black Hawks.

Ross Donaldson, Kiwanis president, presented the trophy, emblematic of the annual bantam championship, to the Hawks' captain Bob Wheatley.

Wheatley then received the Most Valuable Player in the league award from the hands of Herbie Sullivan, right winger with the Kelowna Packers. Wheatley was chosen in a poll among all the players in the league, on the basis of playing ability, sportsmanship and team spirit.

The following four were picked by their respective team-mates as the most valuable players to their teams: Bob Campbell (Rutland Bruins), Hiroshi Maehara (Chicago Black Hawks), George Ferguson (Detroit Red Wings) and Brian Willows (Toronto Maple Leafs).

Anton Dirk and Carl Beluski, both linemen with the Rutland Bruins, won the scoring race, ending with 37 points. They will receive their awards later.

After Sunday's awards were made, all teams had group pictures taken.

B.C. High School Teams Compete Here For Provincial Hockey Championship

Will Fence Ball Park

Years of hopeful wishing by the baseball fraternity here are due to be rewarded this year. A high official of the Elks Lodge, in charge of Recreation (Exhibition) Park, advised the Courier this week a new fence will be built around the baseball park, bleachers will be erected and the diamond put into first class shape.

The same spokesman disclosed many members of the lodge are anxious to sponsor the senior ball club. Wheatley Patinkin has been delegated by the Elks to attend tomorrow night's important baseball club meeting to discuss possible Elks' sponsorship or some other arrangement where the Elks can be reimbursed for their heavy outlay.

The meeting, open to the baseball public, will be held in the board room, B.C. Tree Fruits Ltd., at 7:30 p.m.

basketball championships here last winter.

Program follows:

Friday
9:30 a.m.—Kelowna vs. Greenwood.
11:30 a.m.—Vernon vs. Castlegar.

1:00 p.m.—Kamloops vs. Bralorne.
2:30 p.m.—Trapp Tech vs. Revelstoke.
7:00 p.m.—First championship semi-final.
9:00 p.m.—Second championship semi-final.
1:30 p.m.—First consolation semi-final.
3:00 p.m.—Second consolation semi-final.
7:00 p.m.—Consolation final.
9:00 p.m.—Championship final.

Arrangements have been completed by Kelowna High School to billet all visiting players. Kamloops, Revelstoke and Trapp Tech are expected to arrive in the city either tonight or tomorrow morning.

Mostly Kodaks

The defending champions are ceding a good chance to retain their title providing they send the team they have used all season. However, many of the Vernon school players were taking part during this week in the B.C. Amateur Hockey Association juvenile semi-finals against Trail.

If Vernon juveniles beat Trail, they will go to the Coast this week-end for the finals, depleting VHS's line-up, and necessitating scrambling around to ice a full team.

Kelowna Golden Owls, including most of the Kelowna Kodaks, also are given a good chance to come off with the B.C. crown. They are coached by Bud Fraser and managed by Teacher Doug Gilmour.

Strength of the other six teams is unknown locally, but all are expected to give a good account of themselves. Kelowna, the most hockey-minded centre in the province this winter, is expected to turn out in full force for this annual high schools winter high-light.

Teams' Rosters

Players on all teams but Vernon include:

KELOWNA—R. Fraser, (goal); B. Casey, P. Carey, S. Seizler, T. and J. Ego, S. Burns, A. Grouette, R. Barlee, Wyman, R. Holland, Oishi.

REVELSTOKE—B. Camozzi, G. Pavesini, R. Piper, C. Galliano, C. Connolly, B. Fie, W. Husband, C. Crosby, M. Abbott, G. Lundell, V. Pralco, E. Tucker, B. Allum, B. Burchshaw, N. Wood, L. Freedman (coach).

CASTLEGAR—G. Parker, P. Plotnikoff, M. Maklev, R. Peterson, A. Wallace, J. Pothachoff, F. Boettger, B. Thomson, J. Ross, F. Hargrave, J. Oswald, P. Samoyloff, R. Martin, C. Wadsworth (coach).

TRAPP TECH—J. Varga, A. Weisner, J. Flaten, S. Williamson, J. Korotchuk, H. Pigion, K. Peterson, M. Duncan, B. Duncan, A. Talaray, B. Winters, M. Skinner, P. Kosich, B. Hamilton, T. Bell, J. Wiley, W. Coates (manager).

GREENWOOD—N. Hatanaka, M. Imal, P. Nakagawa, B. Miyagishi, M. G. McPhail, J. Sano, S. Shinde, F. Nakagawa, W. Fritz, T. Madokoro, M. Miki, M. P. Ehaman (coach).

KAMLOOPS—L. Candido, N. Brklich, R. Norberg, J. Kerwan, E. Garay, J. Brklich, J. Palmer, D. Lee, S. Kato, A. Freeman, K. Ide, A. D. Campbell (coach).

BRALORNE—W. Stephens, D. Rye, P. Branca, C. Sherlock, N. Grosket, S. McLaren, R. Parkinson, G. Swain, E. Carlson, J. Wright, D. Ekloff, A. Mould, R. McNulty (coach).

COMMERCIAL PUCK FINALS START TUES.

Commercial hockey league playoffs start next Tuesday with league leading McGavin's taking on third-place Black Bombers at 7 p.m. and the runner-up Rutland squad clashing with fourth spot Stamperders, at 8:30.

Both sudden-death games will consist of three 15-minute periods with regular time-outs when play is stopped and a five-minute rest between periods. Winners will pair off for the final on dates to be announced later.

SOUTHERNERS ENTER B.C. CAGE FINALS

Penticton High School senior boys earned the right to advance into the B.C. High Schools basketball finals later this month at New Westminster by thumping Vernon High School in their sudden-death fixture here on Saturday, at the Scout Hall.

The other Okanagan team went to the Vernon High School girls who defeated Oliver High School, also in a sudden-death title at the Scout Hall on Saturday.

BEARS TIE VETS BUT LOSE

Kelowna Bears were ousted from the Interior Basketball Association senior B title running Monday night at Penticton when the Penticton Vets held the Bears to a 39-39 tie to hold on to their eight-point margin in the two-game, total-point semi-finals.

Adding the tie count to their 39-31 verdict over the Bears here last Friday, for a round score of 78-70, the Vets in advance of the final's against the Kamloops-Princeton semi-finals winner.

The proposed exhibition game this week between the Bears and the O'Learys of Sunnyslope from Wenatchee, Wash., has been postponed. The "Irish" may be here sometime next week, according to Herb Capozzi.

What's Doing?

TONIGHT
Basketball Playoffs—Scout Hall, 8 o'clock, Kelowna Dynamos vs. Rutland, second game, total-point series, north-central intermediate semi-championship. (Kelowna leads 53-38).

FRIDAY
B.C. High Schools Hockey Championship, Memorial Arena, morning, afternoon and evening.

SATURDAY
B.C. High Schools Hockey Championships, afternoon and evening.

Western Canada Senior B semi-finals—Second game, Nanaimo vs. Edmonton, best of five series, Memorial Arena, 8:30 p.m.

QUESNEL Kangeroos Tuesday night in Memorial Arena won the B.C. intermediate B hockey crown when they walloped Lumby Flying Frenchmen 5-1 to take the two-game final by a score of 9-5 on the round. Both squads fought to a 4-4 sawoff on Monday.

The older and more hockey-wise northern interior representatives Tuesday night were in control of the situation all the way, reversing their Monday night performance.

In both cases the Kangeroos jumped to a 3-0 lead but in the final game they never let up. With Bob Chisholm kicking the rubber out in stellar fashion, the Quesnel squad forced the play all the way, most of the time disorganizing the Lumby attacks.

Lumby's singleton in the second game came in the first period and that stanza at 3-1 in favor of the Kangeroos. The sandwich session produced the fastest, most pleasing hockey pace of the week, with lots of chances for both sides.

Billy Campbell and Billy Keen combined on a nice passing play late in the middle canto for the only scoring of that period to push the tally up to 4-1.

Hopeless Cause

That seemed to be the crushing blow for the Frenchmen. For the first half of the finale they lost spirit and didn't show signs of regaining it until the outcome was a foregone conclusion. Keen tallied Quesnel's fifth goal around the five-minute mark to cap off the scoring and squash Lumby's hopes.

The Kangeroos outshot the Flying Frenchmen in every period and 32-22 on the 60 minutes. The champions' passing plays were much improved over the previous night and accounted for the wide margin of victory.

Playing-coach Jack Ritson, one of the many old-timers on the team, sparked the Kangeroos Tuesday night with two first period goals. Billy Campbell garnered two assists in addition to his marker in the second.

Lumby's lone tally was registered by Stan Berry. The first string of Berry-Sarge Sammartino-Herbie Fisher still was the best for the Flying Frenchmen, but they didn't show the drive they had the night before.

Attendance at both games was slim, 400 turning out for the Monday night and 600 for the second tilt.

Oldies Surprise

Railbirds, Monday night, who had sized the two teams up in their pre-game warmups, were surprised when the older pucksters from Kelowna and Kamloops came into a 3-0 lead with less than nine minutes of the game spent.

Chinese Billy Keen, one of the best men on the ice, sparked the Kangeroos with one of the three goals and a help on another. The Frenchmen crashed the scoring column shortly after the midway post of the first period with Allen Richardson converting passes from Ray Morrison and Mike Kramer to beat goalie Bob Chisholm.

Down 3-1 going into the middle canto, the Lumby boys took a new lease on life as the starry first string of Sarge Sammartino-Stan Berry-Herbie Fisher clicked before the period was a minute off for the first of their three goals. Fisher fired the rubber past Chisholm.

Referees Bud Fraser of Kelowna and Tom Morrison of Vernon handed out three penalties after that—two of them to Lumby—but the Frenchmen were able to hold on to a slight edge in the somewhat listless second frame.

With only a minute to go Berry made it a brand new game when he snuck Sarge Sammartino's relay to raise the count to 3-all.

The central interior champs went out in front for the first time at the 17-second mark of the third to touch off a fast bruising chapter. The Kangeroos were unable to tie it up until only a minute and a half were remaining.

Rearguard Mel McIntyre, who shared the Quesnel spotlight—but Keen, notched his second point of the night by a nice solo effort almost the whole length of the ice to knot the score at 4-4.

Overtime was needed to settle the affair. Quesnel Kangeroos outshot Lumby 33-29 in the Monday game.

First Game
First period—1, Quesnel, B. Campbell (Keen, Mundie), 6:02; 2, Quesnel, Keen (Ritson), 6:46; 3, Quesnel, Mills (McIntyre), 8:43; 4, Lumby, Richardson (Morrison), 10:42. Penalties—Bill Campbell, Bonnie Sammartino.

Second period—5, Lumby, Fisher (Berry, S. Sammartino), 0:40; 6, Lumby, Berry (S. Sammartino), 1:53. Penalties—Radloff, Mundie.

Third period—7, Lumby, Fisher (S. Sammartino, Berry), 0:17; 8, Quesnel, McIntyre, 18:33. Penalty—Richardson.

Second Game
First period—Quesnel, Mills

KSM'S HOME PLANNING TIP NO. 6

A few words about exteriors may be helpful. The present trend seems to fall into two categories, "Traditional" and "Modern" or Functional. The word traditional indicates a design that is derived from the past. Of these perhaps the most familiar are "Colonial", "English" and "Cape Cod". A house may be quite up-to-date in plan and still retain its traditional character, and with proper care in design even the modern trend of larger windows may be satisfied without destroying the character of a traditional house.

"Sprinkler IRRIGATION

A-M OFFERS NEWER, BETTER SCIENTIFIC DEVELOPMENTS"

It is generally accepted by most fruit growers that sprinkling provides the most efficient and up-to-date method of irrigation.

This then being the case, coupled with the fact that the future of the fruit industry depends on the quality of the product, it is very much in the interest of every farmer or fruit grower who is contemplating the installation of a sprinkler system, to be sure that he is going to get the most out of his investment. That is to say the scientifically designed system installed with the best in equipment which will ensure the ultimate in crop returns for the future.

The Kelowna Industrial Supply has a complete range of Anderson-Miller equipment (A-M) for sprinkling, which we know from experience will meet the most exacting requirements of portable sprinkler irrigation. Fully trained and experienced engineers in this field, equipped with a practical knowledge of system design and layout are always available to the farmers.

Wire, write or phone the Kelowna Industrial Supply if you would like a free estimate of the cost of a properly designed installation, or call in and discuss your problem with them. Before installing a sprinkler system it is of great importance that the grower be certain that he has left nothing to chance or to guesswork. The future of his orchard is dependent upon it.

Sprinkler Irrigation means

1. INCREASED YIELD.
2. IMPROVED CROP QUALITY.
3. CONSERVATION OF WATER.
4. EVEN DISTRIBUTION OF WATER.
5. LESS LABOR.
6. NO SOIL EROSION.
7. IRRIGATES ROUGH LAND.
8. ELIMINATES DITCHES, RILLS and HEADERS.

The Anderson-Miller Sprinkling Equipment embodies the following essential features necessary for easy and efficient sprinkling:

1. COUPLER—Double end flexibility. Automatic coupling or uncoupling.
2. GASKET—No interior restriction. The famous Pierce Gasket is used. Easily installed.
3. BANDED HATCH—Simplified assembly. No bolting, riveting or welding required.
5. APRON—Facilitates alignment of pipe, speeds coupling keeps out dirt.
6. ELBOWS—Provided with outlet for sprinkler.
7. VALVES—Automatic. Quick coupling.

If you can afford to install a sprinkler system you cannot afford to overlook Anderson-Miller equipment.

LABOR PARTY WINS BYELECTION

SOWERBY, Yorkshire, Eng. — Labor retained the Sowerby seat in Commons in yesterday's by-election, it was announced today. Thus the government party maintained its record of not having lost a single constituency since the 1945 general election.

Labor Candidate Douglas Houghton had a majority of 2,152 over his Conservative opponent, Lt.-Col. P. Ryan. The seat was made vacant by the resignation from the House of John Belcher, former parliamentary secretary to the board of trade.

He explained that during skating, the ice along the slides was worn down while that in the centre was left almost untouched. He said one of the requirements was a shaver to cut down the ice surface but a satisfactory one was difficult to obtain. Vernon had not yet solved this problem, although different types of shavers had been tried. The arena commission was fully aware of the situation and was endeavoring to correct it. Any deficiency in the ice was not due to faulty equipment.

Alderman Jack Ladd moved the Sutherland letter be referred to the arena commission, stating “The commission is handling the arena for us and we have complete confidence in it. It is a matter for the commission.”

He received his master of arts degree and was winner of the medal in chemistry at Queen's University, Kingston, in 1900. Later he received his Ph.D. at Columbia University.

His Honor, Judge J. Ross Archibald and members of the local legal profession, county court last Tuesday, paid tribute to Dr. C. W. Dickson, who for many years was registrar of county court. Mr. Dickson died at his home in Grafton, Ont., last Sunday and was well-known in this district.

Born in Kingston, Ont., the son of Charles Thompson Dickson, and Isabella Margaret Smith, the late Mr. Dickson was an educator.

He received his master of arts degree and was winner of the medal in chemistry at Queen's University, Kingston, in 1900. Later he received his Ph.D. at Columbia University.

FESTIVAL ENTRY DEADLINE SET FOR MARCH 22

Closing date for entries in the 23rd annual Okanagan Valley Musical Festival, to be held in Penticton on April 26, 27, 28 and 29. The final date for the entries is March 22.

It has been announced that the well-known British adjudicator, J. Peebles Conn, a Fellow of the Royal Scottish Academy of Music, who will judge all musical classes, will be joined by Mara McIlroney for the dancing classes.

Miss McIlroney, who is a familiar figure in ballet circles in Western Canada, is directress of the department of Music and Drama, an advanced member of the Royal Academy of Dancing, London, and a licentiate of the Imperial Society of Teachers of Dancing, London.

The executive has expressed its gratification at the widespread interest being shown in the festival. Last year's festival was held in the Orchard City, and next year's will probably be held in Vernon.

Many contestants have expressed their pleasure at the choice of the syllabus committee, stating that the test pieces are proving to be of real interest.

Plans for the festival were discussed at a recent meeting of the executive held in the Penticton Legion Hall, when representatives of service clubs and organizations attended.

Committees were set up to handle the arrangements and the representatives responded well to H. K. Whimster's appeal for assistance.

The program committee will consist of H. K. Whimster, chairman, A. K. Kitch, Mrs. E. MacClelland, Mrs. J. A. Young, Alfred Schultz, Miss Olive Knowles, Roy Wright, and T. Padberg.

Full committee, Ernest Scott, chairman, assistant, Inn Sutherland, Decorating committee, Mrs. A. Williams.

Ticket sellers and collectors will be provided by members of the Odd Fellows, Knights of Pythias, Pythian Sisters, Rebekahs, United Church choir, Legion W.A., and Foresters.

Ushers and usherettes will be members of the Boy Scouts, Air and Sea Cadets, and supervision will be provided by members of the Kiwanis, Kinsmen, and Junior Chamber of Commerce.

The program advertising is in the hands of W. A. Rathbun, chairman, and he will be assisted by Mrs. Hugh Baker, Charles Asman, and Everett Gordon.

Betting committee: Women's Institute at I.O.D.E. Season ticket-selling committee: Herb LeRoy, chairman. The LeRoy Appliance store will be the central point for the season ticket sales.

Secretariat staff will be Mrs. Alfred Costley, Mrs. Elsie MacClelland, and Miss Bonnie Dafee. Adjudicators' reports will be handled by Mrs. C. McCall, with Mrs. Margaret Hendry in charge of trophies.

The supervision in the dressing rooms will be cared for by mothers of the girl guides.

There will be many entries from Kelowna, it was announced today. As yet, the names of competitors have not been released, but it promised to exceed the number competing last year.

His Honor, Judge J. Ross Archibald and members of the local legal profession, county court last Tuesday, paid tribute to Dr. C. W. Dickson, who for many years was registrar of county court. Mr. Dickson died at his home in Grafton, Ont., last Sunday and was well-known in this district.

Born in Kingston, Ont., the son of Charles Thompson Dickson, and Isabella Margaret Smith, the late Mr. Dickson was an educator.

city and from there he went to Heidelberg, Germany, where he carried on research work.

Returning to Canada, he prospected in Cobalt and was co-discoverer with Dr. Cyril W. Knight, of the Silver Bar Mine at Cobalt. He served in the first world war from 1914 to 1918, was wounded at Vimy Ridge and received the Military Cross at Buckingham Palace, November 16, 1918.

After demobilization, he moved to Kelowna, where he was government agent for many years. He also ranched east of Kelowna, and was the owner of the Dickson property, where the civic airport is now located.

Since his retirement, he has lived at Grafton, Ont. His brother, George Dickson, a Victoria Cross winner, died at Harlebury some years ago.

He is survived by his widow, Una Anson-Cartwright, and three sisters, Mrs. Hugh Nickle, Kingston; Mrs. Bruce Grady, Vancouver; and Mrs. William J. Knox, Kelowna.

Building Postponed Due to High Construction Costs, Council Informed

OVER-CROWDED

Doctors Have Waiting Lists of Patients Requiring Medical Attention

ADDITIONAL WING PLANNED AT HOSPITAL

The Kelowna Hospital Society has advised the Kelowna City Council that it contemplates construction of an additional wing to relieve the congestion. The commissioner of the B.C. Hospital Insurance Service, Victoria, has also been so advised.

In its advice to the city, the society said, in part:

“As you may be aware, this matter has been under consideration for several years, but due to high costs and other difficulties and also because it was not known if the overcrowding was only temporary, it has been postponed until now.

“The situation, however, has become permanent and in fact, is becoming steadily worse and although a small sum amounting to about \$15,000 was raised last year for alterations to existing old creamery building by ten beds, this can only be considered a temporary measure and has done little to relieve the situation.

“Long Waiting List

“Although officially listed as an 88-bed hospital, last year our daily census was 87 patients and would have been higher had we had the necessary accommodation, as it necessitated putting patients in corridors, sun porches, waiting rooms and, in fact, wherever it was possible to put a bed.

“All the doctors in the city have waiting lists of patients who in many cases should have immediate attention but have to be postponed until a patient is discharged and the bed becomes available. The doctors are most insistent in their requests for greater accommodation.”

The government has been requested to make an immediate survey of the situation with a view to inaugurating a building program to take care of the needs of the population of Kelowna and surrounding districts.

EXPECT NATIONS TO JOIN PACT

WASHINGTON — Denmark, Iceland, Italy and Portugal were expected today to join in the North Atlantic security pact. It is expected all four will join the treaty, details of which will be made public tomorrow.

For operating an automobile when his driver's licence was restricted to a motorcycle, Thomas Hrischuk was fined \$5 and costs in district police court, March 14.

MAKE SURE YOU HAVE THE RIGHT KIND OF LIABILITY INSURANCE

REMEMBER, you may be financially liable to others if you cause them bodily injury or damage their property. Does your present Liability Insurance policy cover against these risks and against others for which you may be directly or even indirectly responsible?

Your Liability Insurance policy should insure you against every possibility of liability which the Dominion and Provincial laws permit insurance companies to include in one all-embracing Liability Policy. A “North America” Companies’ Liability Insurance Policy may be had to cover all risks.

Play safe. Let your Agent or Broker go over your Liability Policy and make sure you are properly protected.

NO WAY TO TREAT A LADY

Grady the cow may have rued any one of the four days since she squeezed herself through a small hole and imprisoned herself in a silo at Yukon, Oka. But it's a cinch getting out was the toughest routine of all. They slapped her all over with thick grease, doused her with nembul, hooked on to her nose and her forelegs, and she came out the way she went in. Only a lot easier. Here the involuntary captive (top) looks indignant as, with nose and forelegs held rigid, she receives a large hypo of nembul pain-killer from Veterinary Doctor L. J. Crump. Below, operation also is completed, with Grady still looking pretty mad about it all. Doc Crump held cow by nose as her owner, Bill Mach (centre), shakes hands with Ralph Partridge, newspaper farm editor, who made the grease-escape suggestion.

—Central Press Canadian

"Suffered much with constipation"

Famous cereal helps where "remedies" failed

Are you among those who long for constipation relief? Then read this unsolicited letter:

"I tried several remedies but could not end this old trouble. One day I was told I should try KELLLOGG'S ALL-BRAN. I began to eat this cereal regularly. And without exaggeration, it turned out to be perfect for me!" H. Mason, 5727 9th Avenue, Rosemount, Montreal.

If your constipation is due to lack of bulk in the diet, you too may find lasting relief. Eat a daily portion of KELLLOGG'S ALL-BRAN and drink plenty of water! ALL-BRAN is not a purgative, but a wholesome regulating cereal. Eat an ounce as a cereal or in muffins for constipation relief. If after using a package you are not entirely satisfied, get double your money back as guaranteed on the package. Buy delicious ALL-BRAN from your grocer today. Made by Kellogg's of London, Ontario.

MISSION RED CROSS WORKERS ACTIVE GROUP

OKANAGAN MISSION — It might be interesting to note at this time during the Red Cross drive that there is a small but very active group of Red Cross workers at the Mission that have been carrying on for a considerable period of years in the true spirit of the Red Cross, ever active but not acknowledged.

Meetings are held every Thursday from 2 to 5 p.m. at the home of Mrs. H. C. S. Collett and everyone is welcome to attend. There the ladies sew with a battery of five machines each, doing her allotted work. They make mostly children's clothes and since November have had 12 meetings with about eight workers present at each.

They have made 35 small girls' flannellette combinations; 32 baby gowns, and have about 80 pairs of boys' flannellette shorts on hand. It is perhaps not generally known that there is still an urgent appeal for clothing in many parts of Europe and these workers would welcome any assistance and new members. They hope to continue the season until the end of May when they will close down for the summer.

WIDE SELECTION OF FILM BOARD PICTURES SHOWN

OKANAGAN MISSION — A selection of interesting films were shown in the community hall last Saturday evening with Gordon McKenzie operating the projector. The audience sat on the stage with the screen against the partition of the two school rooms and was easily visible to all.

A 40 minute reel of industry in Britain during the war years proved interesting. It showed how car manufacturers turned over to making war equipment, airplane engines, tanks, jeeps, etc.

Other films included a ten minute reel, "The Policeman", as he appears to a little lost boy and carries on his work 24 hours a day protecting the community and making friends; a ten minute sing song, "O Susanna", "Carry On", "Shortenin' Bread", "Pack Up Your Troubles", an interesting ten minute color comedy, "Jack Frost", a film containing suggestions for improving living and working conditions for farm labor so workers will stay on the land all winter; health and happiness, a ten minute color film showing a number of lively, healthy children of all ages as examples of the right food, exercise, sunshine, affection and companionship and intelligent care which are necessary for proper growth; and "Away With the Wind", a ten minutes color film showing sailing ships and speed boat races.

Ladies of the St. Andrew's Parish Guild met at the home of Mrs. A. Drake, Wednesday of last week. There were 18 members present with the president, Mrs. Hugh Dunlop, conducting the meeting. Plans are being made for a white elephant sale, and to be held in April at Mrs. Bell's home. The annual blossom drive will also be held in May. Wool was distributed. Tea was served by joint hostesses, Mrs. H. Johns and Mrs. A. Drake.

Kenny Thomson and Eric Dunlop returned this week from two months spent at U.B.C., attending the youth training for rural leadership courses.

Mr. and Mrs. R. Cousins are receiving congratulations on the birth of a son in Kelowna General Hospital.

It was stated by Mr. R. Archer-Houston, group captain for the Red Cross drive at Okanagan Mission, that this district passed its quota of \$1,000. Contributions amounted to \$1,285.00. Drive was conducted and finished in two weeks by the able assistance of Mrs. R. H. Stubbs, Mrs. Archie Stubbs, Mrs. Taylor, Mrs. Hume, Mr. C. H. Bond, Mr. G. B. Ford, Mr. B. T. Haverfield.

HALIFAX — (CP) — Residents have complained to Halifax police of vandals causing damage to houses under construction in western and northern parts of the city. Unknown persons have been reported causing damage to plumbing installations.

flannellette combinations; 32 baby gowns, and have about 80 pairs of boys' flannellette shorts on hand. It is perhaps not generally known that there is still an urgent appeal for clothing in many parts of Europe and these workers would welcome any assistance and new members. They hope to continue the season until the end of May when they will close down for the summer.

DYNAMOS ENGAGE RUTLAND TONIGHT

Rutland's inter B cagers will have their backs to the Scout Hall wall tonight in an attempt to erase a 13-point lead now enjoyed by Kelowna Dynamos in their two-game total-point series for the northern-central Interior Basketball Association championship. Game time is 8 o'clock.

Dynamos won the first game here last Friday 53-38. Winner will meet Penticton in the IBA finals.

HEAT ENCOURAGES CURLERS RED DEER. (CP) — Pleading guilty to a charge of being drunk and disorderly, a man brought into court was fined \$20. "But you've got \$25 of mine already!" he exclaimed, replying to his bailiff. "You'll get \$5 change."

HEAT ENCOURAGES CURLERS RED DEER. (CP) — Pleading guilty to a charge of being drunk and disorderly, a man brought into court was fined \$20. "But you've got \$25 of mine already!" he exclaimed, replying to his bailiff. "You'll get \$5 change."

SLIDES PLAY HAVOC WITH TRAFFIC AND COMMUNICATIONS IN B.C.

A great Northern Railroad passenger train stalled every which way on the track after encountering a landslide on the run from Vancouver, to Seattle, Wash. No one was injured and train passengers completed their trip to Seattle by bus. Slides have been playing havoc with highway traffic, train and wire communications in British Columbia. The slides are caused by warm rains and thawing which brings down threats to B.C. districts. Telephone communications to Eastern Canada has been severed on numerous occasions.

—Central Press Canadian.

RALLY DAY HEADS NAMED AT RUTLAND

Plans Going Ahead for Annual Rally Day to Be Held July First

RUTLAND—Paul Sedlack was chosen to head the Rutland Rally Day committee at a meeting held in the library Wednesday of last week. The meeting was well attended and preliminary arrangements for the big day were well advanced before the evening was over. The rally will be held July 1, as it was last year, in spite of a plea by Fred Kitchin on behalf of the Kelowna Kinsmen, who would like to see Rutland go back to the King's Birthday, and leave July 1 clear for their ball tournament. It was pointed out that for many years the King's birthday had ceased to be the Rally Day in Rutland, due to the fact that the swimming pool had caused aquatic events to be an important part of the day's events, and the early June date was unsuitable for this.

The committee decided to raffle a standard car in connection with the admission tickets, and a committee of six was appointed to handle this. Andy Kitchin was put in charge of the ball tournament; Paul Sedlack, softball; board of trade, midway; Mrs. F. Ostlund and Mrs. A. W. Gray, refreshment committee; and Archie Weighton and the B.C.F.G.A. grounds and gate committee.

"Pi" Campbell was put in charge of aquatic sports, and Jim Clark and Claude Bissell in charge of track and field events. H. Dorland accepted the job of advertising manager, and Larry Preston will again be secretary-treasurer of the day. Responsibility for the dance in the evening will be undertaken by Bernie Heitzman. Nick Carson has charge of the horseshoe pitch.

E. T. Money left on Saturday last for Vancouver, where he will visit friends for a few days before proceeding to his home on Saturday.

OLD COUNTRY FAMILY AIDED BY RED CROSS

Mother and Four Children Return to Britain After Husband Dies

A British family of a mother and four children under twelve years of age, left Kelowna on Saturday to return to Britain. Their sojourn in Canada was not a happy one as a week after their arrival the husband died suddenly.

The circumstances were such that if the family returned to Britain before such a date, a small pension would be available. Naturally, with that in mind, coupled with the fact that old friends were there, and that they had no opportunity to make new ones, the family wanted to return. But there was no money.

When local Red Cross officials heard about the case they started an investigation. Obviously assistance of this kind was outside the normal scope of the Red Cross but wheels were started to see if some assistance could not be found for this family's transportation to Britain. However, before anything was finalized, word came through that the people of the home British village were starting a fund to provide transportation for the family.

Last week word was received that the tickets were on the way here and that the party must leave on Saturday.

There followed a long chapter of incidents which were solved by the post office here and the local customs official, prodded by the secretary of the local Red Cross branch. The family caught the train on Saturday, thanks to the efforts of the local Red Cross, and they carried with them \$50 for incidental expenses on the trip.

This is but another in the long list of little-publicized incidents wherein the Red Cross have stepped into a picture and contributed much to the health and assistance of deserving persons. In this case, the local official was the welcomed helping hand in a strange country.

EAST KELOWNA CRIBBAGE GAMES ARE CONCLUDED

EAST KELOWNA—The cribbage tournament which has been held in the school on alternate Thursdays during the season, finished last week, with Mr. and Mrs. Bob Caruthers being the winners.

Harold Bailey won the prize for the highest score of that evening.

VALLEY COW TEST RESULTS

Following is a list of cows in the Okanagan Cow-testing Association that produced 50 pounds or more of butterfat during the month of February. (Note: name of cow, breed, pounds of milk, pounds of butterfat and name of owner, follow in that order.)

Vicky (30) H. 1707, 71.7, Coldstream Ranch; Doreen (35) J. 1536, 63.0, K. R. Young; Liddle (72) J. 1179, 61.3, K. R. Young; Iantha (70) H. 1632, 60.4, Coldstream Ranch; You'll Do (37) J. 1416, 59.5, B. C. Palfrey; Rose-o-day (116) J. 976, 58.7, M. Johnson; Brownie (112) J. 957, 52.6, B. C. Palfrey; June (76) H. 1038, 50.0, R. Spall.

Two-year olds that gave 40 pounds or more of butterfat:

Pretty III (82) J. 619, 40.9, B. C. Palfrey.

Finished periods of 350 pounds or more of butterfat:

Susan (305) J. 9280, 482, K. R. Young; Judy (305) J. 5905, 351, M. Johnson.

FIRE ALARM SYSTEM
TRURO, N.S.—(CP)—The fire committee reported recently to the town council that \$31,105 has already been spent on installing a new alarm system and that about \$6,500 will be needed to complete the job.

LONG SERVICE RECORD
SPRINGHILL, N.S.—(CP)—Two veteran Springhill coal miners, Joseph Moss and Wilfred Arsenau, who have served as check-weighmen for 40 and 44 years respectively, have retired on pension.

BOY SCOUT COLUMN

The Leadership Training Course, or at least the indoor part of it, is now over, the wind-up being in the form of a campfire, which was held in the kitchen, owing to the coolness of the main hall. All had a good time, and got a lot of good ideas to put into use with the local troops and packs in due course. Indications are that there will be several going on to the Gilwell and Akela courses to qualify for their Wood Badge. President of the Central Executive, Nigel Pooley gave a short talk to the leaders at the camp-fire session.

Scouters and Cubbers are reminded for the next meeting of the Scouters' Council, in the Tree Fruit Board room on Thursday, March 24. The 1st Troop will be responsible for the games period on World Scouting; sent 100 pounds

this time.

A meeting was held in Oroville to consider plans for this year's Camporee, which is to be held at that point late in May. No representative was able to go from here due to the Leader's course being in progress.

Smart Crest For Jamboree Scouts

Boy Scouts attending the first Canadian Jamboree near Ottawa next July will take home, among their souvenirs, a colorful crest which has been specially designed for the event. Finished in the Scout colors of red, green and yellow, the design features a silhouette of the Parliament Buildings' Peace Tower, over the word "Ottawa", and encircled by the inscription "First Canadian Boy Scout Jamboree, 1949".

The crests will be worn on boys' sweaters, blazers, ski jackets or other apparel, but not on the regular Scout uniform.

Echoes of World Jamboree

Boy Scouts of the Madison, Wisconsin, U.S.A. Troop, who attended the World Scout Jamboree in France in 1947, have given 500 talks responsible for the games period on World Scouting; sent 100 pounds

of clothing to a family in Denmark; donated \$35 to help buy a printing press for a troop of polio crippled Scouts in Paris, France; entertained a French Rover Scout in the U.S.A. last summer; sent camping equipment to a troop of blind Scouts in France; sent a C.A.B. package to Austria, and kept up correspondence with Scouts in 28 different countries.

U.S. Scouts To Visit Canada

When the first Canadian Boy Scout Jamboree takes place near Ottawa next July, three troops of American Boy Scouts, including two boys from every state in the Union, plus nine leaders, will attend. Altogether, it is anticipated that some 3,000 Scouts and Leaders will participate.

Rovers Writing Town History

Rover Scouts (old Boy Scouts) of Cochrane, Ont., are gathering historical data from early residents which is being made into a Town History for the celebration of the 40th anniversary of Cochrane's establishment as a town, in 1909.

CHARGED WITH MURDER

Mrs. A. K. Bond and children

Raymond Fernandez, 34, shown above, adjusting his toupee in police headquarters, and Mrs. Martha Beck, 29, below, are charged with the murder of a widow and her small daughter near Grand Rapids, Mich., and have also admitted to killing an Albany, N.Y., woman in her New York city rooming house and burying her body in the basement of the woman's residence. Murder victims here are identified as Mrs. Dolphine Downing, 28, a widow and her two-year-old daughter Rainelle. Police say the pair have confessed to this double murder. The third admission names Janet Fay of Albany, N.Y., as the victim, killed and buried last Jan. 4. The authorities point out that the victims met Fernandez and Mrs. Beck through a "Lonely Hearts" club. The pair had lived in Mrs. Downing's home for several weeks.

CONSTRUCTION UP
SUDBURY, Ont. (CP)—Construction is again picking up in McKim township. Building permits for construction valued at \$24,175 were issued in January, while the February figure was \$42,900.

MAILMAN RETIRES
BLYTH, Ont. (CP)—George Cowan, who has been mail carrier for the last 28 years on R.R. 1, from Blyth, made his last trip over the route recently. Elmer Schultz now drives the mail.

VENTURESOME FROG
PETERBOROUGH, Ont.—(CP)—Gordon White, 13, found a medium-sized frog lately along the creek behind the Civic Hospital. He took the croaker home just to prove spring is really on the way.

Announcing the 1949 PONTIAC

Now on display

The Most Beautiful Thing on Wheels

A PRODUCT OF GENERAL MOTORS

WE EXTEND to you and your family a most cordial invitation to come in and see the great new 1949 Pontiac! Definitely and decidedly, it's the finest, most beautiful Pontiac we have ever been privileged to show. You will admire everything about it: the flashing smartness of its completely new Bodies by Fisher—it's many new features—its fine performance. Here's a real step forward in the motor world... one that you should see without delay!

AVAILABLE IN FOUR SERIES:
FLEETLEADER SPECIAL • FLEETLEADER DE LUXE
CHIEFTAIN AND STREAMLINER

PONTIAC... Quality High... Price Low!

1. THE YEAR'S OUTSTANDING BEAUTY
2. LOWEST PRICED CAR WITH GM HYDRA-MATIC DRIVE
Optional at additional cost on Chieftain and Streamliner models.
3. VISION-AIRE INTERIORS
4. WIDER SEATS—ADDED ROOM
5. WIDE, EASY-ACCESS DOORS
6. NEW WIDE-HORIZON CURVED WINDSHIELD
7. SAFE-T-NEW DRIVER VIEW
8. NEW DIAL-CLUSTER DASH
9. EXCLUSIVE TRAVELUX RIDE
10. NEW FINGER-TIP STARTER BUTTON ON INSTRUMENT PANEL
11. NEW CONTROLLED VENTILATING SYSTEM
12. CARRY-MORE LUGGAGE SPACE
13. NEW LOW-PRESSURE TIRES, 15" WHEELS AND WIDER RIMS
14. PONTIAC FAMOUS IMPROVED STRAIGHT EIGHT AND SIX CYLINDER ENGINES

ANCIENT CHALDEAN LAMP
NEW WESTMINSTER, B. C. — (CP) — A 2500-year-old Chaldean lamp is owned by Mr. and Mrs. Roy S. Temple here and they plan to use it if another power shortage develops. It was found during excavations in Bethlehem in 1930 and given to the Temples by a missionary.

PEACHLAND W.I. ENTERTAINED BY SCHOOL PUPILS

Hold Debate on Whether City Life More Enjoyable Than Rural Life

PEACHLAND—The regular meeting of the Women's Institute was held in the municipal hall last Friday with the convening of better schools. Mrs. G. R. Topham, in charge of the program.

Card parties will be held at several homes and proceeds will go to the Kelowna Hospital Women's Auxiliary kitchen fund.

Those offering their houses are Mrs. P. Gaylor and Mrs. G. Topham; Mrs. J. Cameron and Mrs. A. Smalls; Mrs. C. C. Heighway; Mrs. K. Domi and Mrs. F. Bradley; Mrs. C. O. Whinton; Mrs. A. E. Miller; Mrs. H. Ibbotson.

April is the anniversary month, and it was decided to have an open meeting in the evening. Films may be shown. There was a short discussion on some changes in the fall fair prize list.

Mrs. Topham introduced the teachers, Miss Laura Rouch and Miss Florence Brown, and the children from the two rooms who took part in the program. The first was a debate by some of the children in grades IV and V. Miss Brown explained that the children had not rehearsed the debate. Donna Clements acted as chairman, and the subject of the debate was "Is city life more enjoyable than country life."

Keith Long spoke first with many points in favor of city life, and was followed by George Topham giving his points on the advantages of country life. This was followed by Lyle Nelson in favor of the city and Jean Bradley of the country. Judging the debate were Mrs. P. C. Gerrie, Mrs. C. C. Heighway, Mrs. F. E. Wit, and in giving the results, Mrs. Gerrie said that besides being enjoyable, it had been hard to decide as both sides had some very good points. They felt that the negative side for the country were the winners. The children in Miss Rouch's room gave an action play, with appropriate songs called "Community Helpers". Tea was served by Mrs. H. S. McDonald, Mrs. W. D. Miller, and Mrs. G. W. Munro.

Mrs. G. Stevens and Mrs. B. Vetter left on Saturday last week to return to their home in Veteran, Alta.

RUTLAND HIGH SCHOOL NOTES

By TONY BRUMMET
Spring definitely seems to be here and the grounds are almost clear of snow. The students are tired of the indoors and every patch of ground, as it clears, is quickly taken up by a small group throwing a ball around. It eases the congestion in the hall-ways, though the many balls flying around at the same time have made the grounds into a "no-man's land". However, this situation should soon be eased by organization.

Sports
Last Friday night the Rutland boys played the Kelowna Industrial Electric Dynamos in an intermediate B fixture. The game was fast and rough but was closely checked by the referee as was indicated by the 27 personal fouls. The Dynamos held the lead all the way and came out on top 53-38. This gives them a 15 point advantage over the Rutland team in the second game of the two-game, total-point series.

The Okanagan high school hockey playoffs were held in Kelowna last Saturday, and teams from Vernon, Penticton, Summerland, Rutland, and Kelowna competed. Summerland defeated Rutland in the first game, 8-6, but due to circumstances, they joined with Rutland for the evening game against K.H.S., which was supposed to be a play-off. The game was to be only an exhibition, but Kelowna proved their right to enter the B.C. play-off by defeating the combined team 6-2.

The sports interests in the school has turned to softball and though everyone is willing to admit that they had a good time during the winter, playing basketball and hockey, they are just as anxious to get at the spring and summer activities.

Arrangements are being made for a battle royal in which the doubt which lingers in the teachers' minds as to whether or not the students are superior in the game of volleyball, is to be shattered. Considerable controversy over this subject has materialized into actual plans for a contest to decide the issue.

FRIENDSHIP TEA BEING PLANNED BY OYAMA W.I.

OYAMA—The regular meeting of the Kalamalka Women's Institute was held Thursday of last week, in the Memorial Hall. Mrs. L. Norman was in the chair in the absence of the president, Mrs. Al-dred.

The roll was called with each member present giving a helpful or economical hint. This was amusing as well as proving helpful to other members. Minutes and correspondence were read by secretary, Mrs. J. Young, and financial report by the treasurer, Mrs. H. W. Byatt.

Final arrangements were made for the Friendship Tea on Thursday next. It was decided to have a display table showing a sample layette, one of a dozen, completed to send to Europe through the uniform service committee, also some of the finer weaving work taken up lately by a few of the members.

A letter read from Mrs. Stella Gummow, superintendent of B.C. Institutes, disclosed her intended visit to Oyama early in May, the exact date to be made known later. On March 22, the National Film Board pictures will be shown in the hall, and the Institute will serve refreshments. On Thursday, March 24, they will again convene the refreshments at a social evening to be put on by the B.C.F.G.A.

Tea was served during a recess by Mrs. W. Dugate, Miss V. Hornock and Miss J. Myrtle and following this, Mrs. T. Towgood gave a short talk on making a lampshade. She displayed samples of different shades and is making arrangements for a series of afternoon classes to which any woman

in the district is welcome.

Frank Allingham, youngster son of Mr. and Mrs. W. Allingham, returned home on Saturday last from Vancouver where he has been attending the short course at U.B.C. in horticulture.

Mrs. W. Dugate left last week for Smithers, B.C., where he was called because of the serious illness of his brother.

Albert Myers, son of Mr. and Mrs. W. A. Myers, leaves on Tuesday for Chicago where he will take a five months' course in radio television and refrigeration.

VICEROY'S SURGEON

THE NEW 1949 PONTIAC is available to Canadian motorists in four series—Chieftain, Streamliner, Fleetleader Special and Fleetleader Deluxe. Shown here is the Streamliner four-door sedan, which like the Chieftain, is available on 120-inch wheelbase with a six or eight-cylinder engine. The Fleetleader Special and Deluxe are both available on 115-inch wheelbase with a six-cylinder engine. Completely redesigned, the 1949 Pontiacs offer an entirely new concept of functional beauty. They are wider and lower than any model yet offered in the Pontiac line. GM's Hydra-Matic Drive is available as an option at extra cost on certain Pontiac models.

Continuation of Social Services Vital to Community Progress

The Social Security Tax is specifically designed to improve health, protect the aged and relieve want throughout our province. Your government contributes as much as 80% of the cost of various social services carried on in your community.

GOVERNMENT SUPPORT OF MUNICIPAL SERVICES

Two-thirds of all money paid in Social Security and Municipal Aid Tax Collections is set aside for services... Old Age Pensions, Mothers' Allowance, Child Welfare, Control of Tuberculosis, Cancer and Venereal Disease, Public Health Nursing and Medical Inspection of School Children, Payment of Doctors' Bills in all cases of persons in receipt of Social Services of any kind. Hospital Grants and Mental Hygiene program. Many of these services are administered by the local municipal government, supported by Provincial Grants from money supplied by you through the Social Security and Municipal Aid Tax.

DISTRIBUTION OF TAX RECEIPTS

All money raised through the tax is used for Municipal Aid and Social Services.

EXEMPTIONS REDUCE AVERAGE RATE

A wide list of exemptions, including food, coal and wood, essential commodities and services, have the effect of reducing the actual rate of taxation. The Social Security and Municipal Aid Tax is not a hidden tax. Everyone contributes. Low-income groups have either an immediate or deferred benefit.

BRITISH COLUMBIA

Hither and Yon

Mrs. G. D. Campbell and her children, Gordon and Agnes, left for Edmonton recently, where for the next few weeks they will visit Mrs. Campbell's mother, Mrs. J. W. Thorburn.

Mrs. E. R. Winter and Mrs. G. T. Weyenberg were co-hostesses Wednesday afternoon when they entertained at farewell tea honoring Mrs. Don Stewart, who is leaving the city on Friday.

Mrs. W. Quillan, of Alberta, is a visitor to the city, a guest at the home of her son-in-law and daughter, Mr. and Mrs. A. Russell. Mrs. Quillan has just returned from a trip in the southern states, where she spent some time in Texas.

J. S. Graham and J. M. Clarke, of Keremeos, are guests for a few days at Ellis Lodge.

Visitors to the city from Winnipeg for a short stay are Frank Isaak and D. Leowen, guests at the Willow Inn.

Leo E. Theroux and Fred T. Zepf, both of New Westminster, are guests at Ellis Lodge.

A Prince Albert visitor to the city is Joseph White, a guest for several days at Ellis Lodge.

H. V. Young, of Vancouver, is a guest at the Willow Inn.

Mr. and Mrs. T. Campbell, of Kamloops, were recent visitors to the city, guests at Ellis Lodge.

Mr. and Mrs. Ted Lewis were hosts Friday evening, when they entertained in their Water St. home at two tables of bridge.

Mr. and Mrs. C. W. McGlashan, of Penticton, were recent guests at the Willow Inn while visiting in Kelowna.

Vancouver guests at Ellis Lodge this week include T. Neil, R. Searle, S. A. Mathews, Peter Peteghem, J. W. Anderson and J. T. Herron, all visitors of a few days.

John Hall, of Erickson, and A. Miller, of Oliver, are both guests at the Royal Anne, while in the Orchard City attending a B.C. Tree Fruits' meeting.

Mr. and Mrs. D. McGowan, of Penticton, were recent visitors to the city, guests at Ellis Lodge. Other Penticton guests at Ellis Lodge are W. B. Johnston, J. W. Hutchison and Ben Hone, of the Oliver Chemical Works.

Mr. and Mrs. D. Brewster, of Banff, were guests for several days at the Willow Inn this week.

Mr. and Mrs. G. A. Elliot, and Mrs. P. J. O'Neil, were Sunday visitors to Kaledon, where they were guests at the home of Mrs. Elliot's uncle and aunt, Mr. and Mrs. A. M. Sutherland, formerly of Lethbridge.

Mr. and Mrs. George Lundy, of Oliver, are guests for several days at the Royal Anne, while visiting in the city.

Mr. and Mrs. Phil Meek have as their guests Mrs. W. B. Kinsman and her daughter Marion, of Penticton.

TIMELY RECIPES

Saint Patrick's Day is commemorated by many people who have not the faintest trace of Irish blood, as well as those who revere the memory of the good saint for what he did for their native country.

Perhaps the reason for such widespread celebration lies in the fact that green promises spring and also that potatoes, pipes and shamrocks are easily procured and make such effective decorations. Saint Patrick's Day is an excellent excuse for party meals.

Potatoes naturally take a prominent place in menus for the seventeenth of March. Potato pancakes or scones for breakfast, potato soufflé or scallop for lunch and baked or browned potatoes for dinner are easy and suitable.

It is easy to scoop out the center of smooth potatoes to make holders for tall green candles. If green gelatine jelly is moulded in a shallow pan it may be cut into small shreds with the "club" cutter from a set of decorative cutters. If no cutter is available the jelly may be cut in small square or diamond shapes. These bits of green make the plainest salad or cake look important.

The home economists of the Consumer Section, Dominion Department of Agriculture, give some suggestions for Saint Patrick's Day.

COTTAGE FRUIT SALAD

1 1/2 tablespoons gelatine
1/4 cup cold water
1 cup sweetened syrup from canned pears
1/2 cup cold water
3 tablespoons vinegar
3 cloves
Few drops green colouring
1 4-oz. package cream cheese
3 tablespoons mayonnaise
1 cup diced, canned pears
2 cups diced, unpeeled apple
Soak gelatine in cold water for 5 minutes. Bring pear syrup, water, vinegar, and cloves to boiling point. Boil for 2 minutes and remove the cloves. Add the soaked gelatine and stir until dissolved. Add green colouring. Chill until partially set. In the meantime, blend well together the cream cheese and mayonnaise. Add to partially set gelatine mixture and beat with rotary beater until light. Fold in pears and apples. Turn into moistened or oiled mould and chill until firm. Unmould on crisp lettuce leaves.
Yield: six servings.

POTATO CANDY

3/4 cup hot, freshly mashed, baked potato
4 1/2 cups icing sugar
1 teaspoon almond extract
3 tablespoons cinnamon
Have potato smoothly mashed. Add icing sugar, a little at a time, until the mixture is stiff enough to knead. Add almond extract, then knead in the remainder of the sugar. Form into small balls resembling potatoes, roll in cinnamon.
Yield: 40 small potatoes.

CREAM PUFF PIE

1/4 cup shortening
1/2 cup boiling water
1/2 teaspoon salt
2 eggs
Put shortening, water and salt in a saucepan and heat until shortening is melted. Add flour, stirring vigorously until it leaves the sides of the pan and forms a ball. Remove from heat and cool slightly. Add unbeaten eggs, one at a time, beating thoroughly after each addition. Mixture should be stiff. Spread evenly on an ungreased pie plate and bake in hot oven, 400°F., until well puffed and lightly browned, about 15 minutes. Reduce heat to 375°F., and continue baking for 25 minutes. Cool, slit through and remove top. Fill with any desired cream or fruit filling. Replace top and garnish with whipped cream and bits of green cherries or washi-shamrocks cut from jelly. Yield: six servings.

Present from Canada

Jane Froman, of radio and stage singing fame, is enthusiastically kissed by eight-weeks old puppy "Amity", a present from Mary Sussman of Canada, representing Children's International group attending brotherhood meeting of National Conference of Christians and Jews in New York. Women's Division of conference sponsored the meeting, at which Miss Froman received official citation for her work in human relations.

WESTBANK HOME SCENE OF QUIET MARCH WEDDING

The Westbank home of Mr. and Mrs. Frank Pascale was the scene of a quiet wedding last Saturday afternoon, when a Vernon couple took their marriage vows before Rev. H. S. McDonald, of Peachland. They were Ruth Merlyn Cox, daughter of Mr. and Mrs. Thomas Cox, and Robert Albert Cox, son of Mr. and Mrs. Albert George Cox. The bride was attended by her sister, Mrs. Charles Murphy, and Mr. Murphy supported the groom. Also present at the wedding were Mr. and Mrs. Joseph Mihalik, uncle and aunt of the groom, and their daughters, Margie and Marie; Patricia Cox, sister of the bride; Mrs. J. Kneller, grandmother of the groom; Mr. and Mrs. Robert Cox, of Penticton; Mr. and Mrs. J. Whalley, of Kelowna, Mr. and Mrs. William Zelinski, of Westbank, Douglas Gordon, of Kelowna, and Mrs. Tanager and her daughters, Winnie and Jean, of Westbank.

For travelling the bride chose a tailored grey gabardine suit with matching accessories. The couple plan to make their home in Vernon.

The wedding had an unusual interest in the fact that it united two Cox families and followed the groom's grandmother, Mrs. Frank Pascale, whose maiden name was Cox, and who first married Mr. Cox (deceased), and whose two sisters first married Cox brothers. All the people present at the wedding are now related, with the exception of the officiating minister, Rev. McDonald, and the photographer Doug Gordon.

APPEARS HERE

Miss Vera Sopuk, noted young Winnipeg pianist, whose appearance in Kelowna is slated for Monday evening, at 8:15 p.m. in the United Church Hall.

Miss Sopuk's recital in the Orchard City is being sponsored under the auspices of the First United Church choir, and the Registered Music Teachers' Association of Kelowna. She is a pupil of Leonard Heaton, of Winnipeg.

Mr. and Mrs. R. P. Hughes have returned to the city after a visit to Calgary. Mr. and Mrs. William Gardner, who spent the winter months with Mrs. Hughes, have returned to their home on Mission Road.

KINETTE CLUB PLANS TO HELP HOSPITAL WARD

Plans for two different projects in aid of the Kinetten children's ward at the Kelowna General Hospital were discussed at the regular monthly meeting of the Kelowna Kinette Club, held recently at the home of Mrs. R. Kitchin in Glenmore.

Three new members were introduced, Mrs. W. Lesmeister, Mrs. E. Taylor and Mrs. B. Hume.

Mrs. O. Bouke volunteered to represent the Kinette Club at the regular monthly meeting of the Health Unit here.

Mr. and Mrs. F. D. Burkholder will be after five hosts tonight when they entertain at the Kelowna Golf Club.

March 5, in Oroville, Washington, Rev. Ketching officiating.

Tasty Lamb Dumplings

cost so little made with MAGIC

Cut 2 lbs. lamb into 1" pieces; brown well in hot dripping; pour off excess fat. Add 4 c. boiling water, 2 celery tops, 2 sprigs parsley, 1 bay leaf, 1 tsp. salt and 1/4 tsp. pepper. Cover and simmer 2 hrs. Add 1 1/2 c. sliced carrots, 6 peeled small onions. Simmer until meat and vegetables are tender, about 1/2 hr. Combine 1 lbs. melted butter and 2 lbs. flour in a little hot gravy; stir into stew; stir and cook until thickened.

DUMPLINGS: Mix and sift into bowl 1 1/4 c. once-sifted pastry flour (or 1 1/4 c. once-sifted hard wheat flour), 3 tsp. Magic Baking Powder, 1/4 tsp. salt. Cut in finely 1 1/2 lbs. shortening. Make a well in centre, pour in 1/4 c. cold water or milk and mix lightly with a fork. Drop by small spoonfuls over hot stew. Simmer, without lifting the cover, for 15 minutes.

FAN TANS are festive!

Recipe

Measure into large bowl, 1/2 c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle slowly with 1 envelope Fleischmann's Royal Fast Rising Dry Yeast. Let stand 10 min. THEN stir well. Scald 1 c. milk and stir in 5 lbs. granulated sugar, 2 cups salt; cool to lukewarm. Add to yeast mixture and stir in 1/2 cup lukewarm water. Beat in 3 c. once-sifted bread flour; beat well. Beat in 4 lbs. melted shortening. Work in 2 c. more once-sifted bread flour. Knead until smooth and elastic; place in greased bowl and brush top with melted butter or shortening. Cover and set in warm place, free from draught. Let rise until doubled in bulk. Punch down dough in bowl, grease top and let rise again until nearly doubled. Punch down dough and roll out, half at a time, into a rectangle a scant 1/4" thick; lift dough, cover with cloth and let rest 5 min. Brush with melted butter or shortening; cut into strips 1 1/4" wide. Pile 7 strips together; cut into 1 1/4" pieces. Place cut-side up in greased muffin pans; separate slices a little at the top. Cover and let rise until doubled in bulk. Bake in hot oven, 400°, 15-20 min.

New Fast-Acting Dry Yeast Needs NO Refrigeration! It's a fact! Fleischmann's Royal Fast Rising Dry Yeast keeps for weeks and weeks on the shelf. And it's full-strength and fast-acting whenever you're ready to bake! If you bake at home—use this modern form of yeast for finest results in your breads, rolls and buns. Get Fleischmann's Royal Fast Rising Dry Yeast at your grocer's to-day.

Wherever help is needed

This year, the Canadian Red Cross Society is busier than ever, serving the nation. It is building a better and healthier Canada in which we may live. In country, hamlet and city, its work of mercy touches the lives of all of us. In ocean port or prairie town, Red Cross organizations are alert to the needs of the stricken. That need may arise around the corner or across the seas. But wherever it arises, the Red Cross is

ready: on the highway, in rural Outpost Hospitals, in veterans' hospitals or city homes, it tends and teaches our citizens. The arms of the Red Cross reach out to triumph over suffering everywhere. To ensure its success, the Red Cross needs your help to help others. Remember this when you make your contribution to the Society's 1949 fund campaign this March.

Good Wishes Extended City Resident at Birthday Party

Mr. and Mrs. L. A. Polzin were dinner hour guests Monday evening at the Richter Street home of Mr. and Mrs. George Noton, honoring Mr. Polzin on the occasion of his seventieth birthday.

The beautifully appointed supper table was centered with a cut work cloth, and yellow daffodils and flanked by four tall yellow tapered silver holders. The large birthday cake was decorated in white and daffodil yellow.

Guests present were Mrs. Josephine Walters, Mr. and Mrs. Ralph Horne, Mr. Cecil Whitehorn, Mr. and Mrs. F. Bebb and their son Tommy, Mrs. Agnes Coe, and Mr. and Mrs. G. D. Polzin, with Donnie and Patricia.

Following the dinner, the guests spent a pleasant evening at the home of the host and hostess, where gifts and good wishes were presented to Mr. Polzin.

Mr. Polzin is a native of Wisconsin, but lived in Mossbank, Saskatchewan, since 1911, moving to the Orchard City ten years ago. Mr. and Mrs. Polzin make their home at 2243 Richter Street.

Mr. H. A. MacDonald is a patient in the Kelowna General Hospital.

GIRL GUIDE NOTES

At the regular meeting of the Girl Guides held Monday of last week, Annette Dederick and Diana Knowles were welcomed as recruits.

Miss Crofton, former captain of two companies in Prince Albert, Saskatchewan, was also welcomed. The changes in patrol leaders and seconders were announced at the meeting. Linda Ghezzi was appointed Patrol Leader of the Scarlet Tanager, Laetitia Holton of the Kingfisher, Marjorie Bursill, the second of the Robins, Clarice Poltras, the second of the Orioles, Mary Schmidt, the second of the Scarlet Tanagers, and Bernice Coult, the second of the Swallows. All these appointments are for a three month trial period. The appointment of Audrey James as Patrol Leader of the Swallows was confirmed.

A district knowledge quiz was won by the Swallows, and the rest of the evening spent in folk dancing. Uniforms, fees, behaviour and attendance will be stressed in the inter-patrol competition.

Proceeds from the tea, held at the home of Mrs. W. A. Holton, will go to aid the camp-site fund. A meeting was held today at the home of the commissioner, Mrs. H. W. Arbuckle, and an organization meeting of the Ranger Company will be held there tonight.

On Monday evening Mrs. R. E. Holland and Mrs. Louis Rampone were joint hostesses when friends gathered at Mrs. Holland's home, K.L.O. road, to honor Mrs. John Parker, a recent bride. An Easter basket filled to overflowing with gifts was presented to the bride. After an enjoyable evening of games delightful refreshments were served.

Mrs. W. Wachlin was honored Wednesday evening on the occasion of her birthday, when 25 guests entertained in her honor, at her Richter Street home.

Eighteen-year-old Merle Miller Emerges Winner in Local Talent Search Contest

Eighteen-year-old Merle Miller emerged the victor of the Kelowna high school. She has been studying music with Mrs. A. J. Pritchard for a number of years, and recently passed with distinction her grade eight exams with the Associated Board of the Royal Schools of Music. At last year's musical festival held in Kelowna, Merle won the Vernon United Church cup for having the highest marks as a pianist in the under 16 and 19 age groups.

Merle, who played Debussy's "Danse", will now travel to Vernon before the end of the month to compete in the Vernon Regional (Okanagan) semi-finals, from which a winner will be chosen to take part in the final which will be held in Vancouver at the B.C. T.F. Easter convention with performers from fourteen B.C. zones taking part.

Mr. J. F. Hobson, chairman, introduced Mr. F. T. Marriage, chairman of the judges, who stated in his remarks at the close of the evening—"I consider it a great pity that a committee at the coast have given so little thought to the conditions under which the preliminaries take place."

There are no age limit, he said, no instructions to the judges, and no standards set up. Above all, he said, the judges and the teacher's committee in charge felt that it was almost impossible to make comparisons between singers and instrumentalists.

Mr. Marriage suggested that it would have been much better if the B.C.T.F. had offered a scholarship in voice this year, one in piano next year, and one in another instrument the following year.

Mr. Marriage congratulated the young people who had taken part, saying the concert was "well worth more than money". He then named Merle Miller the winner, and said that she was the contestant, in

the judge's opinion, that was most likely to succeed, under the prevailing conditions at Vernon and Vancouver.

Those taking part in the contest were:

Junior Vocal
Maryanne Marty, "I'm In Love With Vienna"; Glen Lewis, "All Through the Night"; Sylvia Pelletier, "Where Did the Fairies Play?"; Aden Spiller, "A Funny Fellow".

Senior Vocal
Helen Heitzmann, Rutland, "Santa Lucia"; Italian folk song; Barry Clark, "Oklahoma"; Rogers and Hammerstein; Ann Davies, "Here in the Forest"; Tchaikovsky; Mary Bury, Rutland, "Flow Gently Sweet Afton"; Burns; Betty Manning, Peachland, "Stars Dotted Over the Sky"; Evelyn Sharp; Glen Urquhart, "Twilight"; Kathryn Glen.

Piano
Merle Miller, "Danse"; Debussy; Dell Tolten, "Romance"; Sibelius; Carl Culler, "Moonlight Sonata"; Beethoven; Bruce Catchpole, "Mazurka in B Minor"; Chopin; Elizabeth Rees, Westbank, "Moonlight Sonata"; Beethoven; Joan Campbell, "Santa No. 3"; Scarlatti.

The judges of the concert were Mr. F. T. Marriage, Mrs. J. Nilson MacFarlane, and Mr. W. Murray. Those assisting were Mrs. H. Gilmour, Mrs. M. Cowie and Mr. D. S. C. Wood.

MORE NYLON GRIEF

Her nylons dropping off like nothing is reason for annoyed look on face of Mrs. Betty Willis in San Francisco, Calif. Similar to hosiery grief reported in other parts of the U.S. Mrs. Willis and a friend were walking across San Francisco's Golden Gate bridge just minding their own business when suddenly they felt a stinging sensation on their legs. They found themselves rapidly becoming hoseless. A strange condition of atmosphere is one theory.

—Central Press Canadian

ENGAGEMENT IS ANNOUNCED

The engagement is announced of Thelma, younger daughter of Mrs. Lillian M. Lee and the late Maurice Harry Lee, to Mathias (Max) Theodore, only son of Mrs. Elizabeth Young, of Regina, and the late John Young. The marriage will take place on Wednesday, April 20 at 2:30 p.m., in St. Michael & All Angels' Church.

Mr. and Mrs. Phil Meek were dinner hosts at the Royal Anne Hotel Sunday afternoon, honoring Mr. and Mrs. Don Stewart, who are leaving tomorrow for Vancouver, where Mr. Stewart, who is an employee of the Royal Bank, has been transferred.

EVANGELIST TO CONTINUE LOCAL SERMONS

The special meetings at the Bethel Baptist Church with Evangelist Earl Anthony, of New York City, have proved interesting. The Evangelist will continue a second week dealing with subjects of special interest. His sermon entitled "An Expensive Haircut"

dealt with world trend. An invitation is extended to the public.

CANNOT REDUCE FEE

The city clerk was instructed on Monday night to write to the Dominion Book and Bible House explaining why it is not possible for the City Council to grant a request to reduce the trading licence of that organization's local representative, W. T. Jordan. The letter will point out that the city cannot discriminate between licence holders.

DRIVER SWERVES TO AVOID DOG BUT HITS MAN

A Winfield man, Leslie Cook, had to be treated in Kelowna General Hospital, Tuesday, for cuts, abrasions and a fractured rib, when he was knocked down at Winfield by a truck allegedly driven by Sam Ehrman, of Rutland. The injured man was allowed to go home yesterday, according to police.

Ehrman, driver of the rural milk truck, told police Cook and his dog were walking in the same direction as the truck was proceeding, but on the right side of the road. When the dog darted out in the path of the truck, he hurriedly applied his brakes. The truck swerved on the slippery pavement, the rear end knocking the pedestrian down. Cook was said to have been carrying a Swedish saw over his shoulder at the time he was struck. The dog was unhurt.

MISS J. EDWARDS PASSES AWAY

A former Vancouver business woman, Miss Jane Edwards, passed away in Kelowna General Hospital on Monday, March 14, after a brief illness. She was 84 years of age.

Funeral service will be conducted tomorrow afternoon at 2 o'clock from the chapel of Day's Funeral Service, Ven. D. S. Catchpole, St. Michael and All Angels' Anglican Church, officiating. Burial will be in Kelowna cemetery.

Miss Edwards had resided in Kelowna for the past 10 years with her nephew, L. J. Kelly, 874 De Hart Avenue. Prior to coming here she was in the dressmaking business in Vancouver where she had several workers in her employ. She was born in England. Also surviving is a grand-nephew, Robert Kelly, Kelowna.

Pallbearers tomorrow will be Messrs. A. R. Pollard, G. Hammond, R. Kelly, J. Ritch, C. Smith and R. Whillis.

FREAK BOLT STRIKES MAN—VIRIDEN, Man. — (CP) — A flash of lightning that struck the home of J. C. Foster streaked through the telephone, ripped Foster's pant-leg and shoe off as he was resting on a couch, and killed a dog lying at the foot of the couch.

JAYCEES WANT CONSTITUENCY NAME CHANGED

Ask Federal Constituency of Yale be Changed to Okanagan

A resolution asking that the name of the federal constituency of Yale be changed to Okanagan, was unanimously passed by delegates attending a regional district meeting of the Junior Chamber of Commerce here last Saturday.

Total of 38 representatives from Kamloops in the north of Osoyoos in the south, attended the conference. The delegates also went on record favoring a 24-hour customs service at Osoyoos. A telegram will also be sent to Jaycee organizations in Newfoundland extending congratulations and welcoming them into the Dominion of Canada.

Text of the resolution, submitted by local Jaycees to the district meeting, dealing with Yale constituency, reads as follows:

"Whereas the name given the Federal Constituency of Yale has no bearing whatsoever on its geographical position;

"And whereas the name of Yale bears no relationship to any section or sections of the constituency historically or otherwise;

"And whereas the loss in publically across Canada to the fruit industry, to the tourist industry and allied businesses and industries is great;

"Therefore be it resolved that the Kelowna Junior Chamber of Commerce go on record in recommending to the forthcoming district meeting that concrete measures be taken as soon as possible to have the name of the constituency of Yale changed to Okanagan."

CITY GRANTS TRADE LICENCES

The City Council has issued a trading licence to W. C. McDonald, trading as F&M Ladies' Shop at 1578 Pendozi, formerly Gerow's Adorable Gown Shop.

The Comet Service has been granted a licence to operate a wholesale and retail business in soft drinks and horticultural products at 336 Mill, the application being made by G. C. Allan and E. M. Field.

E. Hertzog has been granted a wood dealer's licence, with yard outside the city limits.

PUT OUT CHIMNEY BLAZE—A chimney fire at the home of S. Ernest, 604 Cawston Avenue, was extinguished by Kelowna firemen yesterday afternoon without causing damage.

BRANTFORD, Ont. — (CP) — A local magistrate described the action of a man who went to a doctor after getting a black eye in a fight as "sissy-like." A man pleading guilty to common assault was given suspended sentence and the magistrate ruled that the doctor's bill was the responsibility of the complainant.

CITY REFUSES GRANT PERMIT FOR APARTMENT

New Owner of Building Finds Apartments Not Allowed in Residential Zone

MAY APPEAL

Building Inspector Finds Alterations Made Before Permit Issued

The City Council on Monday night refused to grant a licence for apartments in Cadder House, 2124 Pendozi Street, as applied for by Mrs. V. LeVasseur, who recently purchased the property.

The Council discovered, however, that the alterations had already been made. The building inspector, when checking on the application, had found that the house had been divided into two two-room suites, one three-room and one four-room, with four kitchens.

The Council was forced to refuse the application on two counts: the alterations had been done without a building permit and no apartment houses are permitted in that residential zone.

Alderman Jack Ladd pointed out that had a building permit been applied for, it would then have been possible to save the people the cost of the alterations as they would then have been advised that the proposed alterations should not be made as apartments are not allowed in that area. Aldermen expressed sympathy with the owners.

LODGE NOTICES

List your Lodge here! The charge is surprisingly low. Appreciated and referred to by out-of-town guests who may be in the city, it will also spotlight your own particular club and win the attention of many prospective members. Mention it at your next meeting.
